

## A Genealogical Codicil to My Last Will and Testament

[Place Family Name(s) on Scroll]

To my spouse, children, relatives or guardian:

Upon my demise it is requested that you **DO NOT** dispose of any of my Genealogical records, books, files, notebooks or computer programs and files for a period of two years. During this time period, please attempt to find one or more persons who would be willing to take custody of the said materials and the responsibility of maintaining and continuing the family histories. In the event you do not find anyone to accept these materials, please contact the genealogical organizations that I have been a member of to determine if they will accept all or part of my genealogical materials. A list of organizations and addresses are at the bottom of this page. Please remember that my genealogical endeavors consumed a great deal of time, travel and money.
