MARY'S CHAPEL CEMETERY

(At Historic Spanish Point on the west side of U S 41 in Osprey, 2.2 miles south of Sarasota Square Mall.)

Spanish Point on Little Sarasota Bay was first inhabited by prehistoric natives about four thousand years ago. John Webb and his family settled there in 1867 and found large shell middens. Understanding the significance of the site, they left them generally undisturbed. The first two gravestones were already in place when Mary's Chapel was erected on the site in 1892. The property was purchased by Mrs. Potter Palmer in 1911. The Webb property and cemetery have been designated a National Historic Site. The first burial was in 1878.
