## MERRY CHRISTMAS AND HAPPY NEW YEAR TO ALL!

Greetings , Thank you all, that have agreed to serve in 2008. A special thanks to Edwin Ubbens who has been Treasurer for many years and has agreed to stay on as Assistant Treasurer . I also thank Tom and Kay Wells and Louis Schutt for their service this past year. Tom, Kay and Louis had served the Society generously in the past and again in 2007. VCGS can be proud , membership doubled in 2007 from 2006 and the Society contributed dozens of new books to the genealogy and History Room. Lets work as a group to continue the grow and strengthen the Society. Lets all bring a friend or family member to a meeting in 2008.

John Woodard

**FROM OUR NOVEMBER MEETING  
SPEAKER DOUGLAS LITTLE ON  
STORAGE OF GENEALOGICAL DATA:**

The URL that I based my talk on is

<http://www.rootsworld.com/~fldocsar/Documentation/>

There were a number of questions about the program I used to "stitch" the book downloads from Heritage Quest where they only allow 50 pages at a time. The URL for that is

[http://www.filehunter.com/Filehunter\\_Software\\_-\\_Products%3A\\_PDF\\_Split\\_Merge\\_Pages.html](http://www.filehunter.com/Filehunter_Software_-_Products%3A_PDF_Split_Merge_Pages.html)

note that this is a PDF Split/Merge program. All I use if for is the merge function. It works very well. I have downloaded books of over a 1000 pages and stitched them together with no problem.
