

SHORT ILLNESS

Death Comes to Robt. Case This Morning After an Illness of
BUT TWO WEEKS

Enlargement of the Liver and Yellow Jaundice Direct Cause of Death

After a short illness of but two weeks' duration, Robert Case, a well-known young man of this city, residing on Mercer avenue, passed away at 5:30 o'clock this morning, death being caused from an enlargement of the liver, together with yellow jaundice. Mr. Case was employed at the Krick & Tyndall tile factory. Two weeks ago he was forced to take a vacation thinking that a short rest would improve his physical condition. He was not compelled to take to his bed, however, until Tuesday evening, when he was attacked with a fainting spell. From then on his condition grew worse until death relieved him of his suffering early this morning. Mr. Case was born in Blue Creek township, November 4, 1892, and was the son of Mr. and Mrs. Jasper Case. His entire life was spent in this county. In the fall of 1910, Mr. Case was united in marriage to Miss Effie Strickler, and immediately afterward moved to this city. To this union was born a daughter(sic), but who has preceded her father in death. Besides the sorrowing wife, Mr. Case is survived by four sisters, Mrs. Maggie Garwood of Ashtabula county, Ohio; Mrs. Belle Ainsworth of Van Wert, Ohio; Mrs. Lula Reiff of Muncie, Ind., and Mrs. Bertha Jack of Geneva; also three brothers, Frank of Casey, Ill.; Earl of near Chattanooga, Ohio, and Lue, also of Ohio. The parents have also preceded the son in death. The funeral will be held Saturday morning at 10 o'clock at the Salem church and interment will be made in the Tricker Cemetery.
