BELGIAN LACES # 11  
August 1979

Dear Members of The Belgian Researchers:

We are mailing the August Newsletter a little early, but since it's ready, you may as well enjoy it now.

It contains mainly the list of Belgian postal codes that I received a while ago from Pierre Ingheles who seems to always know what would be interesting and useful to everyone; before being able to publish it I had to check each town to see to which province it belongs, it took time and time.....All the towns and cities are listed, but not the villages which are too numerous to list, perhaps one day.....  
As you know many towns of Belgium have been grouped to form larger ones, not so with the post offices which retain their own postal codes.

We wish to welcome our new member:

43 Maura Geens Tyrrell, 118 Turnpike St. South Easton, Mass. 02375, her mother Ione McClellan Geens same address, will be doing the research on the Geens lines who came from Mechelen, AN, Ione Geens's late husband, Maurice Geens was a well-known newspaper man and religious writer in Montreal and Quebec; his pen name was Jean des Erables.  
the surnames that appear in the Geens lines are:  
43 Vekeman 1864 Fellenes, France; Zottegem, BF  
43 Kops, 1839, Mechelen, AN

-----  
When you write to the townhalls in Belgium, you can address your letters to:

- Administration Communale de Hachy (if the town is located in the French speaking part  
6718, Hachy, Luxembourg, Belgium of Belgium)
- Administration de la Ville de Liege (if the city is located in the French speaking part  
4000, Liege, Belgium of Belgium)
- Gemeentebestuur van Laarne (if the town is located in the Flemish speaking part  
9270, Laarne, Oost Vlaanderen, Belgium of Belgium)
- Stadsbestuur van Tongeren (if the city is located in the Flemish speaking part  
3700, Tongeren, Limburg, Belgium of Belgium)

-----  
Have a very good summer!
