

Limited to one couple OR 3 people per request AND specific search request

Our volunteers will search the resources available to us. These *may* include records, books and other information located within the Hutchinson Public Library, Reno County Courthouse and other sources. Use this form to request information not covered in research request options 1, 2 & 4. Basic research examples: Directory search, obituary lookup, census lookup, marriage record copies, family lookup in history books. Visits to the courthouse require specific dates or data to work with. We reserve the right to decline a research request. We reserve the right to charge an additional research fee of \$20.00 per hour if you request research outside of our basic services. You will receive notification before any work is performed. Feel free to inquire about your research need.

____ Basic Research Service \$5.00 [1 hr]

____ Self Addressed Stamped Envelope [required]
Payment enclosed [Prepayment required – balance billed]
