GENEALOGICAL INFORMATION

Compiled from

RECORD OF FUNERALS BOOK

PEOPLES FUNERAL HOME
BUTLER, KY

DATED

JULY 1943 – DECEMBER 1952
I would like to thank John Peoples and Peoples Funeral Home for giving me approval to catalog the genealogical information contained in their Record of Funerals book, Butler, Kentucky, covering the timeframe July 1943 through December 1952. I have endeavored to include all information contained in the book that would be of general interest to someone doing genealogical research.

Most entries in the book (and my compilation) contain birth date, death date, place where the individual died and the name of father and mother. Additional information is contained in many entries. The place of burial has been noted when listed in the Record of Funerals book. Each entry also lists the page where the individual is recorded in the Record of Funerals book.
