Remarks:	Erysip	elas pri	evailed to a	consider	rable extent duri	ing Autum	n, Winter a	l nd Spring, but its usua	al concomitant	ļ

remarkably dry one and a great quantity of snow fell in the winter. The natural growth of trees is hard wood. The water is clear and runs rapidly in the rivers and streams. A strata of ledge running NE and SW underlay's the town. These with a mineral spring in the NE part of the medicinal virtues of which are not definitely know.
