

Descendants of Peter McQueen

Between 1820 and 1830 Daniel McQueen (son of Peter McQueen Sr. of the town of Comrie, Perthshire, Scotland) arrived in St. Clair County. He was the husband of Catherine (nee "Lamberson") McQueen. Daniel and Catherine's son, Daniel Jr., married Jane Stewart, daughter of Harvey Stewart and Mary Graverat. As you probably know the Stewart, McQueen and Harsens families were early settlers on and around Harsen's Island.

I descend from Peter McQueen Sr. who left the town of Comrie in Perthshire, Scotland in 1764 and arrived in the town of Salem in Washington County, New York. Peter was a miller at Fitch's Point. Peter's son John had a grist mill and saw mill on Lot 34 in the town of Argyle in 1780.

Peter McQueen, Sr. served under Colonel Williams in the Revolutionary War (with many members of the Stewart family). The Stewarts are also from Perthshire, Scotland. Daniel McQueen and the Stewarts migrated from Perthshire, Scotland (Highlanders) to the town of Argyle, Washington County, NY, then to the town of Camillus, in Onondaga County, NY and finally to St. Clair County, Michigan, where they became sailors, boat Captains and kept lighthouses.

My branch split from the Daniel McQueen line in Camillus. They went to northwestern Ohio and farmed until the Auto Industry started in Detroit. We then moved to Detroit. Some members of my McQueens are still well-known. My uncle William Austin McQueen was once President of the Detroit Athletic Club, and on the board at Oakland Hills Country Club. My uncle, Parick Michael McQueen, became the commissioner of the State of Michigan's Financial Institutions Bureau under Governor Engler (for eight years). My uncle Pat, is now the President of The Private Bank.

Don McQueen who started "McQueens Carpets" in Birmingham, Michigan is also a direct descendant of Daniel McQueen Sr. of St. Clair County, Michigan.

History of St. Clair County

China Township

This was among the first townships of St. Clair to be peopled by the whites. Previous to 1796, several squatters had possession of lands here, and when, in 1808-12, the United States Government sought to establish such squatters in their possessions, evidence was tendered to show that, for years previous to 1796, improvements were effected by the original white settlers, as named in the chapter on French Pioneers.

The township is rich in its agricultural wealth. Its proximity to railroad and river travel renders every acre valuable. The equalized valuation in 1882 was \$440,670; the number of acres of land, 20,955; and the population 1,628, being an increase of 758 since 1845. The St. Clair Railroad passes through the northern sections. Belle River flows southeast through the township, enters East China in its course to the St. Clair.

[718] At a meeting of the County Pioneer Society, held at St. Clair, November 25, a paper, written by Samuel Carleton, on the Pioneers of China was read. The following is Mr. Carleton's account of the settlement of this township:

On the 21st day of October, 1830, I landed near the mouth of Pine River, from the old schooner Forester, after a two days' trip from Detroit. I was one of a band of sixteen from old New England. Even in those early days the West offered great attractions for the rising generation, and in February, 1828, at the age of twenty-nine years, I left my native town - Bath, New Hampshire - and started westward. After a stay of nearly three years in the town of Stillwater, N.Y., I pushed still further West, and, with the band before mentioned, arrived at St. Clair, when the prosperous city was yet in its infancy.

What now constitutes the beautiful town of China, was at that time part of the town of St. Clair, and, to the best of my recollection, contained the following settlements: At Belle River Mills, William Gallagher had built a saw mill, grist mill and dwelling house; James R. Wolverton lived on the place known as the Rankin farm, and Michael Duchene on the Balfour farm. I know of no other settlement west from there this side of Romeo, then called the "Hocksie Settlement." Below the mills, John Robertson was clearing a farm. On the south side of Belle River, Daniel McQueen and Mr. Fargo owned farms.

In 1832, a man by the name of Amos Wheeler purchased a tract of land on Pine River, and built a house near the mouth of Cook Creek. The following year it was purchased by Henry Cook. The house is still standing, and I think I can safely say it is the oldest dwelling house in the town. It is now owned and occupied by a man who bears the same name, although not a relative of its original owner. About the same time, John M. Oakes and his father bought the adjoining tract of land up the river, and erected a house. David K. Oakes, a son of John Oakes, owns and resides on the place at the present time. The same year, Peter Carleton, and his son Edmund, settled on the farm now occupied by Edmund Stewart, and a little later William H. Carleton located on the place where William Parsons now resides. James Weeks settled on the farm now in the hands of Mr. Griffith, and Thomas Dart near Belle River, on what is now known as the Barger place.

In 1833, I built a house on the farm where I now reside, and moved there the following year. A little later, Peter Chamberlain located on the place where he now lives, and Mr. Hextell, Henry Hammond, Mr. Latham, F. S. Douglass and Clark Worden in the vicinity of Belle River. Myron Williams lived in the Gallagher place several years in the early days, and owned a carding machine.

The Hart brothers, David and Silas, located in the northwestern part of the town. David is living on his farm. At the decease of his brother, his farm passed into the hands of his sons. John Conwell settled on the place now owned by John McMichael, John St. Clair on the place where his widow now lives, and James Low where his son Thomas lives. John Stewart lived several years in this vicinity, and Jacob McQueen located permanently in the same neighborhood. Richard Arlington settled further up the river. Near this period, Adolphus Smith moved to the place where he still lives, and Squire Gillam on to the farm now owned by Mr. Hewitt. Later, Parker Webster went on to his farm, and Samuel Webster purchased his place of Mr. Morris. Francis Duchene and one of the Minnes had settled previously near the center of the town.

In 1836, or 1837, China became an organized township. The town meetings were held in different places, sometimes in one part of the town and sometimes in another, till the erection of a red schoolhouse, near Belle River Mills, when the town furnished \$50 building funds for the privilege of holding elections there. The meetings were held there till the erection of the town hall a few years ago.

It would be impossible for me to give a personal sketch of each of these first settlers, therefore I have given merely their names and where they located. I think a majority of them were from the Eastern and Middle States.

What was there in this isolated region to justify such toil and sacrifice? Why have men come from pleasant homes in the States - from gay circles which they enlivened and adorned - to contribute, perhaps, like the coral insect to its jeweled reef, their very lives in the splendid new civilization slowly building here? Ah, there was incentive! The stories of the woods had reached the ears of the restless and ambitious. The souls tormented with the perplexing problem of daily bread, and anxious to get on faster in the world, had heard of the rich forests. Poor, selfish human nature bowed to the god that all worship, and came to find his throne. The love of venture and the hope of gain - the old debated problem among the schoolboys, enjoyment of possession and pursuit - started the tide of emigration. Following the vanguard of prospectors to the new paradise, where, after all, fortunes are to be made only by toil, there is found a Columbus in civilization, tracking the wilderness, as the great discoverer did the sea to discover a new world. He finds, and tells the public; others come in and possess the land. They who bought the pineries and manipulated their properties, have grown rich, and gained lives not been a failure, seeing their results, and reflecting that history is impartial. And who knows by that land where every deed and thought is weighed, and all that each has stiven to do considered, a tardy recognition may not come to the patient prospector, and his be rich dividends, without assessment, through an unending term?

He moved from the home of his childhood, to Franklin township, DeKalb county, Indiana, in the fall of 1838. He has maintained his position in honor among us, until the day of his death, and has left an enviable trend. The companion of his early manhood preceded him to the born of all, having died Feb. 10, 1872. They have born to them four children: Wm Henry, Emily, Lucy, who survive him and Calvin his soldier boy, who gave up his young life a sacrifice to his country in Nashville, Tennessee. About ten years since he has joined in wedlock with Mrs. Joan Clapper, who survives him, and upon whom heavy blow falls with crushing force."

Obituary for William H. McQueen:

Wm. H. McQueen was born in Onondaga county, N. Y., Jan. 6, 1831, and departed this life Aug. 1, 1886, aged 53 years, 6 months 26 days. With his father, he moved to this county when but seven years of age, settling in Franklin township, in the fall of 1838, and worked on the farm during his lifetime, helping to reduce the wilderness, and to make the beautiful home and surroundings with which he was blessed. He was a very hard-working man in his early life, but of late years, his health failed him, and over a year ago he moved into town, having purchased a comfortable home, and desiring to avoid the hard labor incident to farm life. He was married to Miss Olive Beard, March 7, 1863. The union has been a happy one, and the surviving consort is left alone to mourn his loss, although amidst the sympathies of a large circle of relatives and friends. The deceased embraced religion about three and one-half years ago, and one year ago, with his wife, united with the U. B. church of this place, and has lived a faithful christian, his last days being a triumph of his faith. His death caused by a combination of diseases, mainly from stomach and heart troubles. His funeral services were conducted by Rev. J. W. Lilly, assisted by Rev. A. F. Gaff, in the U. B. church Monday afternoon. All of his old neighbors testified to his kindness, by coming to the funeral, which was one of the largest ever held here, the church being more than full, and upwards of forty carriages joining the silent procession to the Waterloo cemetery, where his remains were placed to rest. Deeds from Fulton County, Ohio indicate Horace and Alvira (Holmes) Boley were from Van Buren, Onondaga County, New York. Horace and Alvira died in Wheatland Township, Hillsdale County, Michigan according to World Family Tree Volume 10 and Dibble Cemetery records from Hillsdale County, Michigan. I have also found a William McQueen who came to DeKalb County, Indiana from Onondaga County, New York in 1838. The LDS microfilm records indicate there was a census in Fulton County, Clinton Township during 1851, and James McQueen was living there. James may have come from Onondaga County, New York with Horace and Alvira Boley. I now believe all evidence is leaning toward James McQueen being the son of Peter McQueen and Elizabeth "Betsey" Bowman. This would make James and Horace first cousins, since Horace's mother was Catherine Bowman (wife of Frederick Boley), the sister of Elizabeth "Betsey" Bowman.

Alvira's maiden name was Holmes. I suspect that Edson Holmes (16-years-old in 1850) and Hellen Holmes (13-years-old in 1850) are Alvira's brother and sister.

Prior to 1820 Clinton Township, Fulton County was considered Indian territory. In the Fall of 1836 many settlers came to Clinton Township, Fulton County.

According to Lucy Funk:

James went back to Onondaga County to be married and on his way back stopped at his sister's who lived 14 miles from Cleveland.

Notes for HENRY MCQUEEN:

No solid evidence that Henry is the father of William H. McQueen and his sister Angeline. However, Henry is the only McQueen from Onondaga County, NY whom I have not been able to tie to a spouse. Also, Henry's brother James is found (living with Horace and Alvira Boley of Onondaga County, NY) a couple of farms north in the 1850 Census of Clinton Township, Fulton County, Ohio. It appears clear these children (William H. and Adaline McQueen) must have been directly related to James and Sarah McQueen.

38. NINA MAY⁴ MCQUEEN (*JAMES*³, *PETER*², *PETER*¹)¹²¹ was born 28 May 1871 in Michigan¹²¹, and died 23 Apr 1952¹²¹. She married JUDSON A. PALMER¹²¹. He was born Jul 1857 in New York.

Child of NINA MCQUEEN and JUDSON PALMER is:

- i. FIRD E.⁵ PALMER, b. Apr 1880, New York.

39. WILLIAM H.⁴ MCQUEEN (*HENRY*³, *PETER*², *PETER*¹)^{122,123,124} was born 19 Jul 1853 in Clinton Township, Fulton County, Ohio¹²⁵, and died 29 Oct 1895 in Smiley, Harrison Township, Paulding County, Ohio¹²⁵. He married ROXIE E. KNIPE^{126,127,128} 05 May 1878 in Williams County, Ohio^{129,130}, daughter of FREDERICK KNIPE and CATHARINE SMITH. She was born 15 Jul 1858 in Williams County, Ohio¹³¹, and died 01 Oct 1895 in Smiley, Harrison Township, Paulding County, Ohio.

Notes for WILLIAM H. MCQUEEN:

William H. McQueen was a farmer and carpenter. William and his wife Roxie (Roxcy) both died of typhoid within 28 days of each other in 1895. It appears that there was a typhoid outbreak in 1895, since many other people died the same year and were buried in Lehman Cemetery near William & Roxie (Roxcy on the grave stone). William was also shown on the 1860 Clinton Township, Fulton County, Ohio Census as a 6 years old. His sister Adaline (marriage record shows her name as "Angeline" and is most likely correct) was 4 years old. According to the census they were both living with the John J. Snyder and his wife Elizabeth.

William purchased 80 acres of land in Section 30 of Washington Township, Paulding County, Ohio for \$2,400 in 1887 from M. Andrew Sauer and his wife, Alice. The deed is found in Volume 43, Page 235 which is located in the Paulding County Courthouse. The 80 acres is described as: ". . . The North half of the South East Quarter of said Section number thirty (30) . . ." The deed was filed on February 14, 1887 and recorded on February 16, 1887. William must have deeded this land later to Caleb P. Knipe (his brother-in-law), because it is deeded back to William's wife, Roxie E. (Knipe) McQueen (Caleb's sister) in Volume 58, Page 351 for \$4,000. An additional 40 acres was included in the deed to Roxie and the land was described as: "The North half, 1/2, of the South East quarter (1/4) of Section Number Thirty (30). . ." and also: ". . . The South West quarter (1/4) of the South East Quarter (1/4) of said Section Number Thirty (30). . ." This deed was filed on May 2, 1893 and recorded on May 4th 1893.

John Snyder was shown in the 1860 census to have been born in Pennsylvania. Elizabeth was born in Ohio (according to the 1860 census). John Snyder was also found in the 1850 Census of Fulton County, Clinton Township on Page 666 (14 entries from James McQueen), while James McQueen can be found in the same census on Page 664. It's obvious due to their closeness in the census that John Snyder and James McQueen

were neighbors. John Snyder had two daughters Hannah and Elizabeth who appeared in the 1850 census of Fulton County, Clinton Township. Hannah Snyder or Elizabeth Snyder may have married a McQueen, which would explain William H. McQueen living with John Snyder and family in 1860. Hannah and Elizabeth are not living with her father, John, in the 1860 Census of Fulton County, Clinton Township, which makes one wonder where Adaline and William H. McQueen's parents disappeared to in 1860?

A map of Clinton Township from 1858 indicates that John Snyder's farm (shown as J. Snider) was located in the Section 12, which is the southeastern most section of Clinton Township. John Snyder's property was the southeast quarter of the northwest quarter of Section 12. He owned 40 acres in 1858.

In 1850, James McQueen is shown living with Horace Boley in Fulton County, Clinton Township. The next entry after Horace Boley is Lewis Eckhart. Lewis Eckhart's property on the map from 1858 is located in the southwestern quarter of Section 1, which is the section just above Section 12 where John Snyder lived with William McQueen. Lewis Eckhart owned the west half of the southwest quarter of Section 1. It appears that James McQueen was living less than a mile from the Snyder family, when he lived with Horace and Alvira Boley.

Initially it was believed that the James McQueen, who was living with Horace Boley in 1850 was the father of William H. McQueen, who was living with John Snyder in 1860. However, the family bible records of James and Sarah Ann (Holmes) McQueen now call this into question. Due to James' and William H. McQueen's proximity it was suspected they were probably related. In 2006, Glenn James McQueen and descendant of James McQueen and Jeffrey Allan McQueen a descendant of William H. McQueen sent a swab of their DNA to relativegenetics.com and found 42 of 43 markers were a perfect match (97.7%). This proves conclusively Glenn James McQueen and Jeffrey Allan McQueen share a common ancestor, and that the James McQueen found in the 1850 census of Clinton Township, Fulton County, Ohio is directly related to William H. McQueen who was found in the 1860 census of Clinton Township, Fulton County, Ohio.

I now have genetic proof William H. McQueen is a nephew of the James McQueen living with Horace Boley in Clinton Township, Fulton County, Ohio in 1850.

The 1880 census record of Springfield Township, Williams County, Ohio (page 663A) indicates that William H. McQueen's father was born in Ireland.

William and his sister Angeline (shown as "A. McQueen" in the 1870 Census from Henry County Ridgeville Township Roll 1221, Pg. 402) are 16-years-old and 14-years-old respectively. They are living still with John J. Snyder and his wife Elizabeth. The new 1870 Ohio Census index shows their name as "McQueene," with the "e" on the end which is not correct.

The 1880 Census of Springfield Twp., Williams County, Ohio (Pg. 663A) indicates William's father was born in Ireland. However the 1880 Census of Wilson Township, Ellsworth County, Kansas shows Adaline's father was born in New York. New York seems most likely.

Marriage Notes for WILLIAM MCQUEEN and ROXIE KNIPE:

The marriage record from microfilm indicates Roxie Knipe married William H. McQuerre, but this is an obvious spelling error, and should have been recorded as "McQueen."

Child of WILLIAM MCQUEEN and ROXIE KNIPE is:

68. i. AUSTIN WILLIAM⁵ MCQUEEN, b. 24 Jan 1885, Payne, Paulding County, Ohio; d. 10 Apr 1931, Detroit, Michigan.

40. ADELINE ELISABETH⁴ MCQUEEN (*HENRY*³, *PETER*², *PETER*¹)^{132,133,134} was born 02 Nov 1855 in Clinton Township, Fulton County, Ohio¹³⁵, and died 09 Nov 1904 in Highland, Lincoln, Kansas¹³⁶. She married ENOS BRADEN YEAGLEY^{137,138,139,140,141} 23 Dec 1875 in Henry County, Ohio¹⁴², son of ENOS YEAGLEY and DELILAH BENNER. He was born 05 Nov 1854 in Williams County, Ohio^{143,144,145,146}, and died 05 Nov 1916 in Salina, Kansas¹⁴⁷.

Notes for ADELINE ELISABETH MCQUEEN:

Adeline (a.k.a. Angeline? Adaline?) shows up in the marriage records of Henry County, Ohio marrying Enos Yeagley on December 23, 1875. Her name appears as "Adaline" in the 1860 census of Clinton Township, Fulton County, Ohio under William H. McQueen. Her name appears as: Angeline in her marriage record with Enos Yeagley. In the 1870 census of Ridgeville Twp., Henry County, Ohio her name appears as "A. McQueen." She is the sister of William H. McQueen and NOT the daughter of John and Elizabeth Snyder who are 51-years-old and 48-years-old, respectively, in the 1860 census. According to the 1870 Ohio Census of Henry County, Ridgeville Township (Roll 1221, Pg. 402) Adeline was living with John J. Snyder, his wife Elizabeth and Adeline's brother William H. McQueen.

According to the 1900 Census of Highland Township, Lincoln County, Kansas . . . Adaline gave birth to 14 children, but only 9 were alive at the time on the census. It also said she knew her mother was born in Ohio, but she did not know where her father was born.

The 1880 Census of Wilson Township, Ellsworth County, Kansas indicates Adaline's father was born in New York.

Enos Braden Yeagley was born in Williams Co. Ohio Nov. 5, 1854 and passed away in Salina, Ks. Nov. 5, 1916 at 9 P. M. aged 62 years.

He was married in 1875 to Miss Adeline McQueen. To this union were born twelve children of whom eight are living as follows: Christopher Yeagley of Shelton, Nebraska; Frederick Yeagley of Colby, Kansas; Delilah Bear of Salina, Kansas; Arthur Yeagley of Sylvan Grove, Kansas; Herschal Yeagley of Salina, Kansas; Elvina Yeagley of Kansas City, Missouri; Florence Langerman of Salina, Kansas; Josephine Fuller of Salina, Kansas. Many were the pleasant days this couple spent together with their children. He came to Kansas in 1879 where he had since resided.

On Nov. 9, 1904 the faithful wife of his youth slipped away from earth to go be with Jesus. Her lonely companion never could quite adjust himself to life without her. He looked forward to their reunion in the city of God. More than 10 months ago, his health failed from which he never fully recovered but returned to God the Giver of more abundant.

He was a member of the Free Methodist Church at Miltonvale, Kansas.

He leaves besides his children, two sisters, Mrs. Elvina Kunkle of Wilson, Kansas and Mrs. Georgia Owen of Miltonvale, Kansas and one brother Herschel Smith of Miltonvale, Kansas, together with a large number of nieces, nephews and grandchildren and many friends to sincerely mourn his departure from the home of his daughter, Mrs. Langerman in Salina, Kansas.

The body was taken to Excelsior, Kansas for burial.
The funeral services were conducted by Rev. C. M. Snyder, pastor of the Methodist Episcopal Church of Wilson, Kansas.

68. AUSTIN WILLIAM⁵ MCQUEEN (*WILLIAM H.*⁴, *HENRY*³, *PETER*², *PETER*¹)²¹⁰ was born 24 Jan 1885 in Payne, Paulding County, Ohio²¹¹, and died 10 Apr 1931 in Detroit, Michigan²¹¹. He married LYDIA ANN MARGARET BOUTWELL^{212,213} 1904 in Paulding County, Ohio, daughter of HARVEY BOUTWELL and MARY BABEL. She was born 06 Dec 1887 in Auglaize Township, Paulding County, Ohio, and died 18 Sep 1974 in Livonia, Michigan.

Notes for AUSTIN WILLIAM MCQUEEN:

Austin William McQueen was a toolmaker for the Hudson Motor Company of Detroit, Michigan. Austin's death certificate indicates that he died from a motor running in a closed garage. It is believed that Austin committed suicide by running his car in the closed garage. Some family members have indicated that Austin committed suicide because he had been caught by police making "bath tub" gin at his home in Detroit. Austin was distraught, since he felt that he had damaged his family name. Austin is buried at Woodmere Cemetery in Detroit. Austin was raised by his uncle, John Babinger, since his parents had both died of Typhoid in 1895. On Austin's death certificate his mother's name is spelled "Roxie Knipe." The 1880 Census of Springfield Township, Williams County, Ohio (page 663 A) indicates that John Babinger and his wife Alice were living with William and "Roxy." Alice and Roxie were sisters.

Austin's last residence was 3606 W. Lafayette in Detroit.

In 1914, Michael Babinger resided in Oakwood, Auglaize Township, Paulding County, Ohio. Mike Babinger was deeded the West half of the Southwest quarter of Section 29 in Auglaize Township, Paulding County, Ohio in 1914. This was about 80 acres, which was deeded to Michael Babinger by Maggie Babinger upon her death on January 15, 1914. The deed was filed on May 18, 1916 and recorded the same day. This property was then deeded to Austin William McQueen the same day for the sum of \$4,000. Michael appears to have remarried between 1914 and 1916, since the deed giving the property to Austin W. McQueen indicates the Michael's wife is named Pearl. Pearl must be his second wife. This deed can be found in the Paulding County Courthouse Volume 101, Page 517.

Austin William McQueen also owned a farm in the Northwest quarter or Section 32 in Auglaize Township, Paulding County, Ohio. On April 20, 1911 Austin bought this property from Elizabeth Matty, Clifford Fryman, John Fryman, Wesley Fryman, Della Fryman, James T. Smith, Estella Smith, Annie Hatfield and Murray Hatfield. The property deed is recorded in Volume 95, Page 300 in the Paulding County Courthouse (Paulding, Ohio). The land is described as: "33 acres off the East end of the North half of the North west quarter of Section 32 (in Auglaize Township) . . ." Elizabeth Matty was related to Austin's wife through her mother's side.

There was also a deed in Volume 99, on Page 212, which indicated that Austin purchased land in Section 25 of Auglaize Township from Lemond O. Haley and his wife E. Grace Haley. The property is described as: ". . . the East half (1/2) of the North East (1/4) Quarter of the South West (1/4) Quarter containing (1/4) one fourth acre of land more or less.

Austin had blue eyes and dark brown hair according to his WWI Draft registration card.

Notes for WILLIAM AUSTIN MCQUEEN:

Bill retired President of Inland Tool Manufacturing in Detroit. He reported to Mr. Ralph Wilson, who owned the Buffalo Bills football team. Bill was once the President of the Detroit Athletic Club (DAC). Bill showed his nephew Jeffrey Allan McQueen his family tree charts and got Jeff involved in genealogy. These files are the result.

Bill's obituary from the March 18, 1999 edition of the Detroit Free Press read as follows:

William McQueen: Loved his Michigan roots, humor

"William McQueen was a ninth-generation Detroiter. His ancestor, Bienvenue DeLisle (correction . . . Francois Bienvenu "dit" DeLisle), was with Cadillac's party when Detroit was founded in 1701. Mr. McQueen, who had a strong interest in history and genealogy, had been hoping to be involved in Detroit's tricentennial in 2001.

But he was stricken with cancer and died of complications Wednesday at Beaumont Hospital in Troy. He was 67.

Blessed with a great sense of humor, Mr. McQueen loved to pull pranks such as calling over the waitress when dining out with family members and telling her he wanted her to remember all their names. "Then he would say, this is Mr. McQueen, Miss McQueen, Mr. McQueen, down the line and then ask, 'Can you remember that?'" recalled his brother, Clyde.

Mr. McQueen was a 1949 graduate of Catholic Central High School, then in Detroit. He attended the University of Michigan, and later served in the U.S. Navy.

He retired several years ago as president of Inland Tool & Manufacturing in Detroit. After retirement, he became involved in sports entertainment complexes, Sportsway Inc. in Waterford and Westland, and owned a marina (called: Sail Haven South in Mount Clemens, Michigan).

Mr. McQueen was a former director (correction "President") of the Detroit Athletic Club. He was chairman of the marshals at the U.S. Open at Oakland Hills Country Club, where he was also a member.

In addition to his brother (Clyde), he is survived by his wife of eight years, Joyce; daughters Anne Byrd and Susan McQueen; son William; three stepsons and a stepdaughter; brothers James and Patrick (sister Rita McCloy), and 13 grandchildren.

Visitation is from 3 to 9 p.m. Friday at Lynch & Sons Funeral Home, 1368 North Crooks, CLawson. Funeral services are at 11 a.m. Saturday at St. Regis Catholic Church, Lahser at Linclon, Bloomfield Hills."

Bill's obituary from the March 19, 1999 edition of the Detroit News read as follows:

William McQueen
Former president of Inland Tool

BLOOMFIELD HILLS - William McQueen, a retired industrialist, died from cancer Wednesday, March 17, 1999, in Beaumont Hospital in Troy. He was 67.

Mr. McQueen, of Bloomfield Hills, was retired as president of Inland Tool & Manufacturing in Detroit and chairman of the boards for Beam Industries Inc. and Balfour Industries Inc.

Mr. McQueen was a former director of the American Red Cross on southeastern Michigan and the Detroit Athletic Club. He was a member of the Oakland Hills Country Club, where he served as chairman of the Marshalls for the U.S. Open and other major golf tournaments.

Survivors include his wife, Joyce; daughters Anne Byrd and Susan; a son, William; a stepdaughter, Diane Hagen; three stepsons, David, Gregory and Michael Ensing; a sister; three brothers; and 13 grandchildren.

Notes for MARY FRANCES CONWAY:

Mary Frances came from a very well-to-do family of Grosse Pointe, Michigan. The Conway family was well know for manufacturing cast-iron "pot belly" stoves. One extremely large stove built by the family business stood outside the Michigan State Fair Grounds for many years until it was finally disassembled. This stove was later rebuilt on its original site in 1998. Mary Frances loved animals and always had cats and dogs in her home. She loved to play cards, and gamble occasionally. She once made Father Perryman (a relative on the Lyons side of the family) swear when she won all of his two-dollar-bills in a poker game, which took place at Lake Margarethe in Grayling, Michigan where the McQueens and McCloy's often spent their Summer vacations. Mary Frances' childhood friend was Barbara Couzens (a grand-daughter of James Couzens, who convinced Henry Ford to offer people \$5/day to come to work on his automobile assembly lines). The Couzens owned Wabeek. Barbara Couzens also married Leo Brennen, who came from a

wealthy logging family from the Upper Peninsula of Michigan. Leo serves as the Chairman of the Ford Foundation.

Notes for JAMES FRANCIS MCQUEEN:

James Francis McQueen Sr. (my father) married my mother when they were just 18-years-old. Jim started out his career as a "tin man" selling aluminum siding. Later he became involved in selling insurance and mobile homes, and then set up his own automotive job-shop called: A.M.O. on 1209 East 10 Mile Road (across from Hazel Park Race Track) in Michigan. Jim was very active in the Boy Scouts when his sons were growing up, and served as Scout Master. Unlike most fathers, Jim did not drop off his sons on week-end camping trips. Jim looked forward to every camping trip with his sons, and rarely missed one. He also planned trips in the woods with his sons to go rabbit and bird hunting. Jim's best friend was Emil Voepel, who reminded some people of the actor Don Knotts. Emil was a great role model, and a great friend. Jim loves the great outdoors. Jim always had above average luck in hunting, and rarely came home from deer camp without a buck. Jim's stories in deer camp have always been entertaining (the first time told). Jim's hobbies are hunting and fishing. Jim attended Catholic Central High School, and Lawrence Technical University.

Press Release form the Governor's Office:

Governor Accepts Resignation of Patrick McQueen from Michigan Financial Institutions Bureau

June 25, 1999

Governor John Engler today announced that he has accepted the resignation of Patrick M. McQueen as Commissioner of the Michigan Financial Institutions Bureau (FIB), effective today. McQueen is leaving the FIB to pursue opportunities in the private sector.

"Pat's focused leadership has resulted in a more efficiently run organization and has created more opportunities for financial institutions in Michigan," said Governor Engler. "Since 1993, Pat has taken a proactive role in modernizing the Bureau. I wish him well as he re-enters the private sector."

"As Commissioner of the Michigan Financial Institutions Bureau, I sought not only to manage the Bureau effectively but to update the laws dealing with financial institutions in Michigan," noted McQueen. "As I leave this post, I am confident that Michigan's financial institutions are sound and that they are positioned to be competitive in the rapidly evolving financial world."

McQueen has served as Commissioner of the Michigan Financial Institutions Bureau since 1993 and was also Acting Commissioner of the Insurance Bureau during the first half of 1995. As the chief regulator of Michigan's 135 state-chartered banks, nine state savings banks, 314 credit unions and more than 4,000 other lenders, McQueen is responsible for ensuring the safety and soundness of these institutions for the citizens of Michigan.

McQueen has also been active in the leadership of the Conference of State Bank Supervisors, a group comprised of the financial institutions commissioners from all 50 states.

The Governor also named Gary Mielock as acting commissioner.

Mielock, of Lansing, is currently FIB's chief deputy commissioner. He joined FIB in 1974, after 10 years at Manufacturers National Bank of Detroit (now Comerica). Mielock earned his bachelor's degree from Michigan State University and his juris doctor degree from Wayne State University Law School.

Notes for MARY MARGARET MCQUEEN:

Mary died of skin cancer at the age of 39. She was always a very kind person, and had a great sense of humor.

Mary's Obituary from the Detroit News, Sunday, May 31, 1992 edition read as follows:

"Mary M. Rodzik, 39, a descendant of an explorer who helped found Detroit in 1701, died of cancer Friday, May 29, 1992, in her Troy home.

She was a pioneer in her own right, said her brother Clyde D. McQueen.

Mrs. Rodzik helped form a young adult cancer support group and was among the first wave of teachers of the mentally and physically handicapped during the 1970s, when Michigan began requiring that they be educated.

'My sister always found the time to participate with her husband and children in family, church and community activities,' McQueen said.

Born Mary McQueen in Detroit, Mrs. Rodzik was a descendant of Bienvenu dit DeLisle, who accompanied Antoine de LaMothe Cadillac when the city was founded in 1701.

She was a graduate of Detroit Mercy High School and Eastern Michigan University in Ypsilanti.

Mrs. Rodzik served as a teacher's aid in Southfield and also taught severely mentally and physically handicapped children in Lapeer.

She was an adult education teacher in Mt. Clemens and Hazel Park who taught English to foreign born adults.

'In the 1970s, when the state began requiring that institutionalized and severely handicapped children receive an education, my sister was among the first wave of teachers who pioneered that field,' her brother said.

Additionally surviving are her husband of 18 years, Dennis M., two daughters, Amy and Karen; a son, Michael; her mother, Helen McQueen; a sister and three brothers. . . Burial will be at Holy Sepulchre Cemetery in Southfield."
