

ALLENVILLE CEMETERY Poster #93

Located in a field just North of Allenville Missouri, it is partial fenced but unkept and over grown with weeds and trees. Very few stones are still standing. I was told that the North part was used for whites and the lower part for blacks.. I did not see any stones in the lower part...However, some listed here are black as indicated by the death certificate....Billy Crader homerdean2@yahoo.com
