Items of Interest from Area Newspapers

Bank Robbers Captured and Loot Recovered

The bank at Uniontown, Kans., was robbed shortly after it opened for business Monday morning. Two men, after ordering the cashier and lady assistant to step into the vault, helped themselves to all the currency they could find and then boarded a Ford touring car and departed. A man in an adjoining building who heard the burglar alarm grabbed a shotgun and stepped out of the rear door just in time to be held up by one of the robbers who took the gun from him. Bourbon county officers were notified at once and a large force was quickly in pursuit. The country between Stotesbury and Hume was scoured and every road in Bourbon county was guarded. About 6 o'clock that evening Chief of Police Hoy and Officer E. S. Shoemaker of Fort Scott received word that two strangers were seen at the John Grubb place, one mile east and two miles north of Hammond, Kans. Hurrying to the Grubb place they easily located the men in the barn. They had run their car into the barn, it was afterward learned, to remove the mud from it, and were doubtless intending to make further escape under cover of darkness. As the officers approached the barn the robbers quickly made their way to the hay mow. Seeing one of the men through an opening in the floor one of the officers pointing his gun toward him ordered the two to come down. Hesitating long enough to beg him not to shoot they complied with the request. They were taken to Fort Scott and lodged in the city calaboose. They (*sic*) names are said to be Frank Brennan and Guy Judkins. Two packages of currency totaling \$675 was found hidden under the hay in the hay mow. This is probably all that the bank lost. Guns and other paraphernalia belonging to the robbers were found in the car.

An Old Citizen Gone

After an illness of seven weeks S. J. Baze died at his home in Metz township, near old Metz, and was interred at the Summers graveyard.

Mr. Baze was born in Tennessee sixty-six years ago and for more than thirty years has been a respected and prominent citizen here. His wife and four children survive him, and we feel that the entire community, as well as they, have in his death sustained a loss.

His strong hand was ever ready at the call for help, and his big heart full of sympathy for the distressed. Truly his nature was such as to "rejoice with those who rejoice, and weep with those who weep."

Early in life he became a member of the Christian church and was for years an elder at Metz. He has not lived in vain. This part of the world is better for him having lived in it.

His worth as a neighbor and friend was demonstrated by the largest funeral attendance ever seen in this vicinity.

In honor to an old neighbor and for his many years service as a public school officer, the Old Metz school dismissed and the entire school headed by its teacher W. E. Snow, was assigned a place in the funeral procession as it passed the school house on its way to the grave.

A good man is gone.

COUNTERFEITERS CAPTURED.

**Three Caught at Walker and
Taken to Rockville.**

**Their Counterfeiting Tools Found in a Hay
Stack on the Joe Davis Farm.**

Yesterday afternoon a man residing at Rockville was here in search of some men wanted at his town for passing counterfeit money. He hunted up Chief of Police W. W. Hill, to whom he stated that three men had worked business men at Rockville on raised bills. The scheme was to change a one dollar

bill to a five. This was done by erasing the figure one and pasting a figure five over it. The man, whose name Mr. Hill could not recall, had one of the counterfeit bills. It was a first rate counterfeit but close inspection showed where the figure had been erased.

Yesterday afternoon three strange men appeared at Walker. One of them excited suspicion by walking into the bank and asking for twenty two-dollar bills. He was given all the bills of that denomination on hand, but he was also watched. He was seen to be joined by two other men, and the trio proceeded toward Nevada.

City Marshal Wade of Walker followed them to a haystack on the Joe Davis farm and arrested them. A search of the haystack revealed a bottle of oxalic acid, a small phial of government printing ink used in printing bank notes, and some other paraphernalia (*sic*) necessary to the work of counterfeiting.

The men with their outfit were at once taken to Rockville and turned over to the St. Clair county authorities.
