*** NEW * Rural Schools of Northeast Vernon County Consolidate, 1881-1950. \$30.** When one-room schools started consolidating in Vernon County, Missouri, some of the clerks' books were turned over to the school with which they joined. This compilation is taken from those books and is not published in any other book. Names of students, parents and sometimes their occupations, ages, and teachers are included. This is a finding aid to help researchers locate people between censuses. Compiled by Neoma Foreman. Soft bound, 260 pages with every-name index. Make checks payable to WCBA and mail to WCBA, 14695 S. C Hwy, Walker, MO 64790.

Cardstock covers; 8 1/2 x 11 format; available unbound or bound with plastic comb (please specify with orders). Sample pages below. A local genealogist created this abstracted finding aid in the 1980/90s when computers were just beginning to be used.
