

New Publications

available from the

Tishomingo County Historical & Genealogical Society

Gunboats & Cavalry: a history of Eastport, Mississippi, with Special Emphasis on Events of the War Between the States—Book on the history of Eastport, Miss., and its role in the Civil War. Full of history and genealogical information. (paper; 263 p.)

Educable School Children—These files list the names and ages of children aged 5 to 18 and, beginning in 1885, their parents or guardians. Some families who were missed by the State or Federal census taker may be listed on the enumeration of educable children. Available years: 1892, 1894, 1908, 1912, 1923, 1929, 1931. *Coming soon: 1906, 1935, and 1941.*
