CANFIELD, WOODROW, HILL:

I am looking for help locating information on the Sanford CANFIELD family who moved to Crystal City from Ontario Canada in the late 1890's. This family consisted of Sanford, wife Elizabeth (Woodrow), children; Valentine, Charlotte, Mary, Nora, Stuart, Ethel, and Eva CANFIELD. They might have gone to school in Crystal or the area or worked there. This would be my grandparents' line.

I am also looking for help locating information on the Warren A HILL family. He married Ethel Canfield of the above family about 1902, possibly in Crystal.
