North

This Inventory of The Westlawn Cemetery has been done by volunteers of the Goffstown Historical Society, using vocabulary and designations recommended by other Historical Organizations.

* A **Section** is a specific area to be inventoried
* A **Range** is a row (or line) of monuments or grave sites
* A **Footstone** (or grave marker) identifies an individual grave position
*A **Lot** is an an area or plot, which can be single, double or multiple

More detailed information is available at The Goffstown Historical Society on index cards in their files.
