FOR FIFTEEN YEARS we have handled only the best in Flour and Feed. During that time we have served and satisfied many customers. We know that the quality of our Feeds are high because we manufacture a large per cent of them ourselves. Our latest product, "Le Roy's Cornell Laying Mash," is meeting with great success. Our line of Flour is the best on the market. Don't forget to let us know the next time you are in need of Feed or Flour.

# SHILOH

FOR COUGHS, for irritating coughs, for hacking coughs. Remember that, please, and keep constantly on hand. You've felt the need, possibly in the night, for something that would soothe and quiet your tired throat. SHILOH is soothing, SHILOH is healing, SHILOH is exceedingly pleasant to take. Always ready, always the same, whether you buy it in New York or San Francisco. Always secure, that's the way you feel with this reliable, time-proven home remedy in the medicine chest.

FOR children SHILOH is strongly recommended as a palliative in cases of croup and whooping cough, as well as, of course, for the ordinary throat troubles that all of us are subject to. Children like to take SHILOH too, and here's another big point in its favor, the dose is unusually small, hence it cannot upset even the most delicate stomach.

SHILOH is sold by leading dealers everywhere in three sizes, small, medium and large. Always in a red package.
