Storage for Household Goods and Merchandise

## A GOLDEN RULE STORE

Where Merchandise, Price and Service is as near right as we can make it

It is our constant endeavor to conduct our business along the lines laid down in the Golden Rule.

In choosing our merchandise, qualities, styles and in pricing it we constantly keep in mind our customer's interest.

In the matter of service we try to treat every person who enters our doors as an invited guest and as we ourselves would like to be treated in another store.
