CONSTITUTION AND BY-LAWS

SECTION 1. This Society shall be called the LIVINGSTON COUNTY HISTORICAL SOCIETY.

§ 2. The general object of this Society shall be to discover, procure and preserve whatever may relate to the history of Western New York in general, and Livingston County and its towns in particular, and to gather such statistics of education and population, growth and prosperity, and business of this region as may seem advisable or of public utility.

§ 3. The Society shall consist of resident, corresponding and honorary members who shall be elected by a majority of ballots; and of life members as hereinafter provided. Resident members shall consist of persons residing in Livingston County, N. Y., corresponding and honorary members of persons residing elsewhere.

§ 4. The officers of the Society shall consist of a President, Vice President, and Secretary and Treasurer, and a Board of Council of nine [changed in 1927 to twenty] members, who shall be elected at each annual meeting.

§ 5. None but resident and life members shall be eligible to office or qualified to vote.

§ 6. The payment of ten dollars at any time, for that purpose, shall constitute a life member, exempt from all annual dues.

§ 7. The members attending any annual or special meeting of the Society shall constitute a quorum for the transaction of business.

§ 8. All officers shall continue in office until their successors are elected or appointed. Their duties when not herein defined may be prescribed in the By-Laws. All vacancies in office may be filled for the unexpired term by the Board of Council.

§ 9. This constitution may be amended or changed from time to time by a majority of the members present at any annual meeting of the Society, provided due notice of the proposed amendments be given at least four weeks previous to a final vote thereon.

CONSTITUTION AND BY-LAWS

CLAUSE 15. The Committee on Publication shall have charge and supervision of all publications made by the direction of the Society, and shall carefully examine all manuscripts and papers and other things directed to be published, in order to discover all errors and defects and correct the same, also, when necessary, to make abstracts or abridgements of papers.

CLAUSE 16. It shall be the duty of the Committee on Membership to consider and report upon all questions relating to membership, which may be referred to it for that purpose, and so far as practicable to induce all proper persons to become members of the Society.

CLAUSE 17. In the future, should it become advisable, the President may, in his discretion, after the annual election of officers, appoint the following committees, each to consist of three members of the Society:

1. On the increase of Books and Library.
2. On the increase of Members.
3. On Donations and Subscriptions.
4. On Statistics.
5. On Portraits, Pictures and Photographs of Pioneer and early Settlers.

CLAUSE 19. If any members of the Board of Council fail at any time to pay their dues to the Society, or fail to qualify, and thus become ineligible to the office to which they have been elected, a majority of the Board of Council elected and qualified, shall have the power to declare such office vacant, and shall proceed to fill the same from the resident members of the Society.

CLAUSE 20. A majority of the Board of Council present at any meeting of its members, of which due notice shall have been given, shall constitute a quorum to transact business.

CLAUSE 21. All reports of committees shall be in writing, either in form of resolutions or otherwise, as they may deem expedient.

CLAUSE 22. Any of these By-Laws may be suspended in case of temporary exigency, by a two-thirds vote of all the members present at any annual meeting. They may also be amended and changed, and new matter added by a majority of all the members present at any annual meeting, provided notice of the proposed amendments be given in the call of the annual meeting at least two weeks previous to final action thereon.

CLAUSE 23. It is recommended that the members of the Society in the different towns and villages of the county form local clubs, and meet monthly, especially during the winter, in their respective localities, at private residences, by invitation of the members. The reading of an appropriate paper, followed by such remarks and discussion as the subject might suggest, would disseminate much valuable information, and add increasing interest to the occasion, and make such meetings in their informal and social character a valuable acquisition to the Society, and create an interest and marked influence in promoting historical research among the members.
