*THE PAVILION STATE BANK
IS VERY PROUD TO BE A PART
OF THE LE ROY SESQUICENTENNIAL
CELEBRATION*

And here's why:

Officers, directors and employees are a part of the community. They have a big stake in local prosperity.

Your questions are usually answered by those you talk to, not by someone in a distant city. The buck stops here.

Deposits are not siphoned off by an affiliated bank but are for the use of people right here at home.

You will feel comfortable in doing business with local, hometown people who know and understand your needs. We hope you stop in often.
