Pompey Assessors Record

1848

We do severly certify that we have set down in the above assessment roll all the real estate situated in the Town of Pompey according to our best information and that we have estimated the value of said real estate at the sums which a majority of the assessors have decided to be the true value thereof: and at which they would appraise the same in payment of a just debt due from a Solvent debtor, and also that the said assessment Roll Contains a true statement of the aggregate amount of Taxable personal property of Each and every person named in said roll over and above the amount of debts due from such persons respectively and excluding such stocks as are otherwise taxable and that we have estimated the same according to our best information and belief.
