

*Many hands make light work!*

CNYGS' Fiftieth Anniversary Celebration will be held October 14 and 15, 2011. A group of organizers has just started planning a special conference for the celebration. We, very much would like you to be part of planning and carrying out this event. By helping, you will ensure, it meets your needs and is a great success.

***What will your role be? You choose!***

**1. Helpers needed now are committee members to help plan the conference.**

I would consider being on one or more of these committees:

**3. As we get closer to the conference, helpers will be needed.** Exact jobs have not been designed, but they could include helping to identify research institutions in Central New York, transportation, stuffing envelopes, sitting at the registration booth, helping with set-up and table decorations.
