

Marriages and Deaths in the Delaware Gazette, 1819-1836

John Raitt, former Delaware County Historian, many years ago, extracted this information from the Delaware Gazette for the years 1819-1900. He gave me a copy so that I could index it, which index is on the Delaware County History Site. I am retyping his notes and submitting them to the Delaware County Site for the use of this generation and future generations so that they might 'find' their lost ancestors. Mr. Raitt spent many long hours collecting and preserving the history of our County. May he long be remembered for his dedication to the people of the past and the present and for the preserving these facts for the future residents.

Note: To help one figure out the dates, the Delaware Gazette was printed on Wednesday of each week.

Linda Ogborn

Note: Because of the number of Schoharie County names and close ties between Delaware and Schoharie Counties, Linda Ogborn has kindly submitted these notes to the Schoharie County GenWeb site. Doug Boyer
