- DIED In this Village on Thursday last Mr. Elihu PHELPS age 50 years. It has been known to the friends of Mr. PHELPS that owing to the occurrence of several unfortunate events he has for months been laboring under an unusual depression of spirit sometimes bordering on insanity. Scarce a smile lit up his countenance for near six months and his complaints have been few. Yet so intense were his feelings at times that his friends entertained serious fears for his safety and his companions and intimate friends very judiciously used every argument in their power to allay his anxiety, soothe his feelings and restore peace to his troubled mind but to no effect. On the 8th Inst he went to the dock and in sight of the hands on board a sloop which lay a few rods from shore plunged into the river. Capt. HARDING with all haste manned his boat but arrived too late to rescue him from a watery grave. His body was found ⁱⁿ about half an hour and every exertion made to resuscitate but in vain. The Jury was called by Mr. HASTINGS who returned a verdict agreeably to the above facts. Mr. PHELPS has resided in this Village about four years and ever maintained the reputation of an industrious, persevering, straight-forward man and took a strong interest in the growth and prosperity of the place. He was a good neighbor, a kind husband and an indulgent father but his body has returned to the dust as was; his soul to God who gave it and like every child of Adam he will receive as a reward of his own labors at that hand of ^{the} God who is too wise to err ^{and} too good to do wrong. It is hoped that his widow and orphan children will not ^{fail} to meet in this Christian community with that sympathy which we all would wish measured to us in like circumstances, (Com.)
