Page 2:1 - Killed suddenly by the fall of a stone from the precipice at the Falls of Niagara on the 27 day of May last past NELSON L. HUNGERFORD M.D. a resident of this Village. It is with feelings of the most profound regret that we make this announcement. Within the limits of our Village there are few individuals whose sudden death would have been more sensibly felt or more generally lamented. Dr. HUNGERFORD had long been an inhabitant of this place and by his liberal views, strict integrity, his acts of charity and the amiability of his general deportment he had secured for himself the respect and esteem of all who knew him. As a physician he was earnest and unremitting in his attentions. As a citizen he was efficient and public spirited in his enterprise. As a friend he was warm-hearted, sincere and devoted and as a Christian he was unostentatious in his piety and active in his benevolence. Those who loved him most knew him best; and those only whose relations to him have been of the most intimate character can fully appreciate the extent of the loss his friends and the community sustained -Comm
