Page 2:3 - FATAL ACCIDENT - The fire in the Village on Wednesday evening last caused an alarm in Albany. During this alarm two lads name of VISCHER & PAYNE went on top of a building in Ten Broeck St. in that City, for the purpose of seeing where the fire was. Their view was obstructed by a building separated from the one on which they were by a gangway about four feet wide. Young VISCHER jumped across and in attempting to follow, PAYNE missed his footing and fell into the gangway killing himself on the spot. The deceased was about 17 years of age, and a son of Samuel N. PAYNE of that City.

- DROWNED - A woman by the name of O'ROURKE residing in Cohoes was drowned in the Erie Canal near Lock 11 on Thursday evening last. It seems that Mrs. O'ROURKE in company with Mrs. Margaret McDONOUGH, came down the Canal to take home the drunken husband of the latter. While returning, Mr. McD staggered and fell in the Canal, dragging both women with him. A party of young men who were near, ran to the spot and succeeded in rescuing McDONOUGH and his wife, but Mrs. O'ROURKE was drowned. Her body was not recovered until the next morning. Coroner WITBECK held an inquest, at which the above facts were developed.
