Page 2:3 - A MAN BEATEN TO DEATH AT COHOES - Coroner WITBECK was engaged yesterday<sup>in</sup> afternoon holding an inquest adjourned from Saturday upon the body of Patrick LYONS at Cohoes. LYONS it appeared, attended a dance upon Harmony Hill on Monday evening 29th ult., returning home with a friend about 2 o'clock Tuesday morning and shortly thereafter started alone to return to the ball. When on the Bridge crossing the Canal, he was assaulted by three men, who beat him and afterwards threw him in to the cellerway of a saloon, from whence he was taken by friends who heard his cries for help. From the effect of these injuries he died at an early hour Saturday. From the ante-mortem examination of the deceased taken on Friday, the facts relavant to the assault as stated above, are gleaned. The deceased did not know the persons who assaulted him, neither has any thing as yet transpired calculated to fasten suspicion on anyone. It is to be hoped that the guilty ones may be discovered and brought to justice.
