Page 2:2 - Hon. John I. SLINGERLAND died at his residence in the Town of Bethlehem, in this County, Saturday afternoon last. His disease was pleurisy. Mr. S. was a gentleman, widely known and universally respected. He was a member of Congress from this District in 1844, we believe, and had filled many other positions of trust. He was one of the leading men of his section of the country, and always played a prominent part in everything that occurred thereabouts.

- SUDDEN DEATH - James DENNIN formerly jailer at Cohoes, died at his father's residence in that Village on Tuesday 22d inst. Deceased had been standing on the front stoop, and returning upstairs complained of dizziness and shortness of breath and sinking into a chair, expired almost instantly. He had been for a number of years troubled with an asthmatic affection, but not of such a serious nature as to cause any immediate fears of his death. Deceased was about 30 years of age, unmarried and formerly resided in Albany.
