SUFFRAGE 125:

Hutt Women Signatories to the 1892 and 1893 Suffrage Petitions

Researcher: Sandra Greig
Compiler: Jennie Henton, City Archivist, Hutt City Council Archives
July 2018

INTRODUCTION

Approximately 270 women in the Hutt region signed the 1892 and 1893 Suffrage Petitions.

As part of the Hutt's Suffrage 125 celebrations, researcher and genealogist Sandra Greig drew up family trees for 227 of these women and located a number of descendants.

When the 1892 petition has been scanned and transcribed it will be possible to get a more accurate total.

This book records their family trees, their petition signature and any extra information and photographs kindly provided by descendants.

We will add to this book as people come forward with more information.

If you have information or photographs please contact:
