We wish to express our appreciation to all those persons who have so kindly furnished us the information which has helped so much in our efforts to make this record as accurate and as complete as possible.

The translation from the German was made by Dr. Helene Fenger, a German exchange teacher who teaches in New Castle High School, and her address is Bad Kreuznach, Waldenarstrasse 50, Germany.

Also Mr. Richard Hauff, a German exchange teacher who is teaching in New York. His address is Esslingen-Neckar, Germany. Urbanstrasse 33. Mr. Hauff lives only ten miles from Cannstatt and he says he would be glad to help if we wish more information from Cannstatt.
