Capt. Hart Co.

San Antonio, July 1836.

We, the undersigned, being actuated by motives of patriotism towards the cause of the Texas Government, and feeling a disposition to assist their cause as far as we can to organise as standing army, the Nation of the Earth, do hereby pledge our lives, honour and every thing sacred, to sustain her cause as such, and do hereby tender our service to the Head quarters of the Texas Army, and there to join the Army as Volunteers for an indefinite period of time then to be determined; but we now engage to serve her cause as efficaciously during the present contest with Mexico, provided we shall and serve under officers of our own choice.
