How to Order

Direct from the Sales Officer. Send your order, together with a cheque for the correct amount including postage and packing, to the address shown on page 2. Please allow 14 days for delivery – our sales officer is a volunteer like all our committee members and has to fit Society activities into her real life.

Online from the Parish Chest Website at:

<http://www.parishchest.com>

On the sidebar menu click on Family History Societies then Gwent FHS in the main screen. The postage is calculated by item not weight on this site. This site can be used by people overseas to join the Society or to renew their membership.

The reason UK members cannot join or renew their membership through the online sites is the fee charged by these sites for their services. UK members pay less than overseas members because the postage for the Journal is less. This benefit would disappear if UK membership was available online. The advantage for overseas members is that they do not have to pay large amounts to purchase a sterling cheque for their membership fees.

All our publications are listed on the Society web site, and a copy of the latest Publications list is also available for download at
