## Members of the Harford County Genealogical Society

Sufficient data has been submitted by our membership to publish at least three volumes of ancestral charts, SP 33 (February 2005), SP 34 (this one), and one, maybe two, publications in 2006. If you have not seen your lineage in either SP 33 or 34, please be patient for the next installment(s), next year. Thanks to all for sharing their data.

Even though data is not cited with any sources, this information may give that little push to make your "brick wall" fall.

- SP 33 consisted of all the lineages submitted in Ahnentafel book format – a simple Xerox job.
- For the sake of consistency, the content of SP 34 was converted from pedigree charts that were submitted; significant effort was expended to insure accuracy in the transcription, but no doubt some errors will be present.
- Future SP's will also be in Ahnentafel format, when published.
- IF you submitted your data as a computer printout, it is likely that some data was truncated/abbreviated by YOUR program, making it difficult for us to determine the actual content. i.e., a city-county-state (e.g. Bel Air, Harford, MD) may get abbreviated as city-first letter of county-state (Bel Air, H., MD) . In those cases, we just dropped the truncated information (Bel Air, MD).

Converted to Ahnentafel Books by  
Mary B. White and Doug Washburn
