INTRODUCTION

A microfilm of the original 1816 Tax Record book was used to compile this Index.

The pages of the original book were NOT numbered. In order to find a listing on a particular page, it will be necessary to COUNT each page.

We have included a Range-Township column in this index.

An asterisk (*) has been added in the "Range-Twp." column to indicate land which was listed as being in a county other than Licking.
