

Mildred, Sullivan County, PA

Most of the photos in this tabblo are from my maternal grandmother's family, the Zangara family. The Zangara, Calaman, and Perozzi families settled in Mildred beginning in 1901 after the patriarch, Antonio Colloca (aka Tony Columbia) first arrived in 1897. More details of the family history are found at The Italian Heritage of Bernice and Mildred

Several photos of the town, church, band, and baseball team are provided by Joe Tabor as noted.

The two photos from Lopez (McGee Hotel, and Frutchey's Regulars) came from Pat (McGee) Foley.

I am grateful to Joe and Pat for sharing their photos. Many people in the photos are not identified. Any identification information is much appreciated. As far as I can tell, all of the photos are from the Mildred area or nearby region. Please post a comment if you can help. Thank you.
