Is the Mary Hutchison (died Aug. 11, ????, age 70 years) who is buried in Ada Valley Cemetery an ancestor of all of the Rineharts who are buried there? Mary "Polly" Rinehart married David Hutcherson in 1847 in Tishomingo Co. and is in the 1860 census for Perry Co., AR With the in 1860 was Thomas Rinehart, 16 b. MS, who appears to be the Thomas M. Rinehart who is buried in the cemetery. I believe that both Thomas and the John Anderson Rinehart buried there were children of William Rinehart of Tishomingo Co., my ancestor. Has there been a tradition of Indian ancestry among any of the Rineharts of Conway Co.? I also am interested in members of the Young and Richardson families who removed to Higgins Township from the same area of MS.

Robert Mathew Huggins and his wife, Mattie Cumi Gasaway moved to Petit Jean Mountain about 1900. My father, Walter Clifford Huggins was born there in 1902 probably Cedar Falls Dist. A cousin showed me the location of the old homeplace about 2 miles before the Vista Point on the south end of the mountain. Near where the Huggins place was, is an old road down the mountain to Carden Bottoms. He said this area of the old road was on the property now belonging to Elvis Robertson. When I wrote Mr. Robertson he didn't answer my letter. I have been told by others that there are graves on the side of the mountain where the graves were as high up as a team could pull the wagon, in order to save valuable cotton land. This may be where my Huggins relatives are buried there with an iron fence around the grave. I am looking for the grave of Robert Huggins, his wife, Nancy b. 1809-1912 and died after 1870, Benjerman L. G. Huggins b. 1843 and Mary Barmore Huggins b. 1843 d. after 1870. Can anyone help me. I have searched high and low, but am having no luck in finding out much about William Harvey Wild who was living in Conway County in the 1870s. I know who he married and who his children were, one of them was my grandmother. He married Josephine Abigail Cobb on 6-3-1875 in Conway County. He worked for Drury Warren in 1870 in Conway County. A family bible lists his birth place and date as either Columbus or Columbia, KY. His date of birth is given as 6-10-1855. Another source gives his birth place as Ohio in 1851. I think the Bible is probably more accurate. I believe that he died in 1897 in either Conway County or Little Rock. I would like to know who his parents were and where they came from.
