Willie Vaughan B. June 1892 and Died ?. Willie was the first child born to John Cagle Vaughan and Nancy Carolyn Stroud. The only evidence we have of her birth is the 1900 census records for Conway Co., Griffin Twp. We have photos, saved by my greatgrandfather, Guy McKinley Vaughan of his sister, Willie. They are very large and probably expensive for that time period. Willie appears to be about 16 years old in these photos. We also have a photo of Willie and her husband, we don't know his name, the photo simply states "Willie Vaughan and her husband" and it appears to have been taken in the very early 1900's, her age again appears to be about 16. Willie disappears by 1910 and of course we assumed she must be living with her husband, but why doesn't anyone know his name? I have reason to believe that Willie died not long after her marriage. The 1910 Census shows her mothers number of deceased children as having increased by 2 since the 1900 census. She could have had 2 more still born in that time period, but she also had 3 more that lived. I would like to find a marriage record of Willie and her husband. The marriage was probably in Conway Co., probably about 1907-1910. I would have thought her to be buried in Mt. Zion Cemetery, but if she is, it's unmarked or marked only with her married name which is unknown. Her name in the 1900 census is listed as Willie W. and her sex incorrectly notes as male.

I am searching for information on my great grandmother, Fanny Covington born about 1861. I have found three Covington families in the Conway Co. 1870 census. It is listed with the Post Office of Lewisburg and one of my sisters said my mother had mentioned Lewisburg. Fannie Covington married Thomas Martin in 1881 in Woodruff Co., AR. I feel that Fannie's parents were close by since they had given their permission for her to marry. This information was on record: Family #20 on the 1870 census was a L. D. and Martha Covington; family #21 was T. C. and Sarah Covington; Family #23 was W.C., Sarah, Samuel and Martha Covington. On Family #22, S.A., Elizabeth and Martha Thomas. I wonder if this Thomas family was related to the Covingtons since they were living amongst them. I would like to have information on any Covington families that were in Conway Co.
