Akins, Francis Rudolph “Cubby”-Cogbill b.Sep.19,1921 d.Nov.2,1966-Cogbill Cem.-Tstone-USMC WW II/Obit/Picture: Francis Rudolph "Cubby" Akins was born 19 September 1921 in Wynne, Arkansas, the fourth child of Oscar and Fannie E. Robinson Akins. He grew up in Cross County in a family of five boys and one girl. Cubby attended several schools in Cross County. He was married to Clara Jewel Hall on 16 October 1947 in Wynne, Arkansas and they were the parents of two daughters, Phyllis and Claire. He enlisted in the Navy 3 September 1942 in Memphis, Tennessee. He trained at USNTS, Great Lakes, Illinois and US Naval Training School (Aviation Machinist), Memphis, Tennessee and served at ABAT, Norfolk, Virginia. It was in the Navy that Cubby acquired a keen sense of hearing and feeling for tuning equipment. At the time of his discharge 7 November 1945, he received a Letter of Commendation from James Forrestal, Secretary of Navy, stating: "I have addressed this letter to reach you after all the formalities of your separation from active service are completed. I have done so because, without formality but as clearly as I know how to say it, I want the Navy's pride in you, which it is my privilege to express, to reach into your civil life and to remain with you always. You have served in the greatest Navy in the world. It crushed two enemy fleets at once, receiving their surrenders only four months apart. It brought our land-based airpower within bombing range of the enemy, and set our ground armies on the beachheads of final victory. It performed the multitude of tasks necessary to support these military operations. No other Navy at any time has done so much. For your part in these achievements you deserve to be proud as long as you live. The nation which you served at a time of crisis will remember you with gratitude. The best wishes of the Navy go with you into civilian life. Good Luck!" After his discharge from the Navy, Cubby went back to school on the

G.I. Bill of Rights and finished his education. On 9 March 1949, Cubby enlisted in the Arkansas National Guard, and was trained as a Rifleman M14 and a Sharpshooter. He served with the Wynne Unit, Chief Firing Btry, 13B40, retiring as a Warrant Officer, W-1 on 9 January 1966. He had earned the Qualification Badge, Sharpshooter and Rifle Badge. While still going to school, he was employed by Hampton Motor Company as a master mechanic and parts man. Later, he was employed by Murray Chevrolet as an Auto Supervisor and worked there until his death (approximately 12 years). Cubby died 2 November 1966 in the Cross County Hospital following a massive coronary thrombosis. He was buried in Cogbill Cem.-. Per Cross Co. Bank Veteran Exhibit. Austell, Samuel L., Jr., Judge-Goodspeed's Bio.- S. L. Austell, (Austelle) farmer, Wittsburg, Ark. This successful agriculturalist owes his nativity to Cross County, Ark., where his birth occurred in 1848, and is the son of Samuel and Mabel Caroline (Wofford) Austell, natives of South Carolina, but who came to Arkansas at an early date. The Woffords were early pioneers, and Grandfather Isaac Wofford built the first house in Wittsburg. He opened a large farm, and there passed his last days, his death occurring in 1849. Samuel L. Austell at first settled on Crowley's Ridge, near the present city of Wynne, but removed to the bottoms, about one mile from Wittsburg, where he cleared about 100 acres. Mr. Austell was for many years one of the leading spirits of that section. He took a prominent part in politics, and was elected the first county judge of Cross County. He was also quite prominently spoken of as Governor of Arkansas. He died in 1866, and the mother in 1870. At one time he owned nearly all the land around Wynne, and speculated largely in real estate. S. L. Austell was reared principally to farm labor, and received his education in the public schools. After the death of his father, he, with his brothers, managed the farm until 1880, when he bought out the only remaining heir. This farm consists of about 1,100 acres, with 140 under cultivation. Mr. Austell also owns about 100 acres near Wittsburg, and in 1884 he bought the old home of the widow of Maurice Block, at Wittsburg. Mr. Austell owns, aside from this, 500 acres on Crowley's Ridge, 175 of which are under cultivation. This land he rents out, but farms the principal part of the balance himself. In 1860 his father built a cotton gin, and this our subject still runs. In the early days of the country, Grandfather Wofford started a ferry across the St. Francis River, at Wittsburg, and this descended by inheritance to S. L. Austell, having been in the family for many years, as may be seen. In 1877 Mr. Austell married Miss Page Johnson, a daughter of Thomas Johnson, who moved to Cross County, Ark., in 1864, and here followed farming until his death, which occurred in 1875. The mother is still living. Mr. and Mrs. Austell became the parents of five children, three of whom are deceased: Blanche (deceased), Samuel (deceased), Mary Pearl and Thomas (living) and Clay (deceased). The family are members of the Methodist Episcopal Church at Wittsburg. Mr. Austell is only moderately active in politics, but takes a deep interest

in school matters, being at present one of the directors. He is an active, energetic citizen.--*CC Archive
