Cauble, Lloyd F., Sgt. b.Mar.3,1922 d.Oct.21,1943-Cogbill Cem.-Picture-U.S. Army Air Corps WW II-Missing-Purple Heart-Per Brenda Huntley-Lloyd Franklin Cauble was born 3 March 1922 at Wynne, Arkansas, the son of Columbus Hayden and Lula May Averill Cauble. He had two brothers: Wamer and Paul and three sisters: Esma, Freida and Fannie. He entered school at Wynne and in the first grade and graduated in the Wynne High School Class of 1942. Lloyd was a lineman on the High School football team.Soon after graduation, Lloyd entered the Army Air Force and was stationed in Iowa and Wyoming. In April 1943, he was sent to the European Theater and was stationed

"somewhere" in England. His family still has two letters he wrote to his mother. Lloyd was on his 25th mission over enemy territory when his Fortress was shot down over the North Sea. His family was informed that he "was missing in action" on 20 October 1943. In 1944, the designation was changed to "Finding of Death." The Distinguished Flying Cross and the Air Medal with three Bronze Oak Leaf Clusters were awarded to Tech. Sergeant Lloyd F. Caubble's mother, Mrs. Lula Caubble, in impressive ceremonies at the Newport Army Air Force Field. The D.F.C. was awarded for Sergeant Caubble's extraordinary achievements while serving as radio operator and gunner over enemy-occupied continental Europe. In addition, Lloyd received the Purple Heart Medal.

December 1920 in Falkville, Alabama, the sixth child of Andrew and Delia Nelson

Johnson, Louis and Charles. He attended the Walker School, near Vanndale. Willis was
only 15 when his father died and being the oldest one at home, he had to assume a great
deal of responsibility. Willis was inducted into the Army 15 August 1942 and took his
basic training at Camp Hill, Virginia. He served as a Medical Aidman in a field hospital.
His unit was part of the campaigns in Normandy, Northern France, Ardennes, Rhineland
and Central Europe. He remembered being transported to Europe on the Queen Elizabeth
and was never seasick. Coming home he was on a much smaller Liberty Ship and was
seasick most of the time. Adding to his discomfort, he took the mumps and was assigned
to the hospital aboard the ship. He was discharged 30 November 1945 having earned five
Bronze Stars, and a Meritorious Unit Service Plaque. Willis married Lois Williams and
they were the parents of four children, Michael, Kerry, Denise and Jeff. Willis owned and
operated Childers Barber Shop in Wynne for 22 years. In 1980 he underwent heart

Clemons, James T. (Jim), Rev.Dr., 81, passed away on January 14, 2011. He died at the scene after being accidentally struck by a morning commuter train in Gaithersburg, Maryland. Born October 17, 1929, to Mildred and Russell Clemons, he was raised in Wynne, Arkansas. He received his undergraduate degree at Hendrix College in 1951; his Divinity degree from SMU Perkins School of Theology in 1954, and a Ph.D. from Duke University in 1963. He was an ordained Elder in the Arkansas Conference. Jim was preceded in death by his wife of 47 years, Barbara Pettingill Clemons. He is survived by a daughter, the Rev. Margaret E. Clemons of Severn, Maryland, a son J. Thomas Clemons of Port Clinton, Ohio, a daughter-in-law, Karen Yassky Clemons and grandchildren Rebecca Perkins, Benjamin Clemons and Jonathan Clemons. He served churches in Texas and Arkansas, on staff at Hendrix College, as chaplain and associate professor at Morningside College in Sioux City, Iowa, and for twenty-eight years taught biblical studies at Wesley Theological Seminary in Washington D.C. Upon his retirement from Wesley in 1995, he was named Professor Emeritus of New Testament and continued to teach there occasionally. In addition he continued his ministry into his 81st year by serving Severn UMC in Severn, Maryland, as the youth minister for middle and senior high school students. Jim was respected as a ground-breaking leader in suicide prevention, a topic he researched extensively for more than a quarter-century. He founded the Organization for Attempters and Survivors of Suicide in Interfaith Services (OASSIS) whose mission was to raise awareness in all faiths of the problem of suicide. Hendrix College awarded Clemons an honorary Doctor of Divinity degree, named him their 2005 Humanitarian of the Year and in 2009 honored him with the Mary and Ira Brumley Award for Religious Education for the college's Marshall T. Steel Center for the Study of Religion and Philosophy—the same year in which he received a Medal of Commendation from the U.S. Public Health Service. Those who knew Clemons can testify that he lived a full life with both passion and compassion; as activist and author; teacher and mentor; minister and counselor; loving friend, husband, father and grandfather; and, as he believed about everyone, a child of God. Celebrations of Life services have been held at Severn UMC and Asbury Methodist Village. Additional services were to be held in Washington D.C. and at Hendrix College

Cobb, William H.-Goodspeed's Bio.- William H. Cole, one of the genial members of the enterprising firm of Smith, Cole & Davis, also the general manager of the three mills owned by this firm, is a Pennsylvanian by birth, being a son of Joseph and Ellen (Yost) Cole, of German descent, the paternal grandfather, Joseph Cole, was a hotel keeper and also owned an interest in a lumber business. He moved to Iowa, living in this State about four years, then in 1870 came to Mississippi County, Ark., where he busied himself in farming until his death, which occurred in 1872. To the parents were given seven children, five of whom are still living: William H., Clemenza E. (the wife of John J. Merrison), J. C., James R. and Edward F. William H. Cole (whose biography is here given) was born in 1852, and lived at home with his mother until 1875, when he started in

the mercantile business at Richardson's Landing, Tenn., which he followed for four years, losing in this business some \$10,000, after which he went into the lumber business, being very successful. In October, 1888, he removed his mill and family to this county and located near Bay Village, erected a saw-mill in charge of the firm of Cole & Davis, which was moved from Tipton County, Tenn., where it had been operated six or seven years by said firm. They bought 260 acres of timber land and erected their first mill, which turns out annually about 1,500,000 feet of lumber, the capacity of this mill being 20,000 to 22,000 feet daily. In June, 1889, they bought the mill at Levesque, of John N. White, which has been improved and now turns out 2,000,000 feet annually. Messrs. Smith, Cole & Davis have now under lease another mill, which has about the same capacity as the one at Levesque. They also have a planing-mill connected with one of their mills. Mr. Cole was married on September 25, 1877, to Miss Martha Isabelle Davis, and they are the parents of four children, two of whom are living: Elizabeth and John. Mrs. Cole is a member of the Old School Presbyterian Church. Mr. Cole is one of the prominent men of his county, known and respected by all. --*CC Archive

Cobb, William Jesse B: 8 Nov 1846 IN Fayetteville, Washington, Arkansas, Usa D: IN Hubbard, Texas-*CC Family

Cobb, William Jessie-Goodspeed's Bio.-b.Nov.8,1846 d.May 16,1890-Fairview Cem., Hubbard, Texas-William Jessie Cobb, Vanndale, Ark. The entire life of Mr. Cobb has been passed in an industrious manner, and not without fairly substantial results of success. He was born in Washington County, Ark., in 1846, was the second in a family of eight children born to William A. and Susan (Brodie), the father a native of North Carolina, and the mother of Tennessee. The father was reared to farm life and attended school in his native State until about twenty-one years of age, when he went to La Grange, Tenn. There he attended school for about a year, and was then ordained a minister in the Methodist Episcopal Church by Tennessee Conference. He then began preaching on a circuit in North Alabama, and was engaged in this work about one year. In about 1838 he came to Arkansas, followed his ministerial duties in this State, and after a year or two was sent by the Conference of Arkansas to the Indian Nation, where he preached, and had charge of the mission school of that Territory until about 1854. Prior to that time, about 1844, he had married in Washington County, Ark., the daughter of Ludwick Brodie, a pioneer from Middle Tennessee, to Northwestern Arkansas. After giving up the work in the Indian Nation, he was on the retired list for a year or so, and in 1857, he, with his family, went to Florida, where after residing about a year, they came further north, and located at Trenton, Tenn., in order to educate their children. Here he followed farming, was also engaged in merchandising, continuing at this until 1862, when the family returned to Poinsett, now Cross County, and settled about two miles southeast of the present village of Vanndale. Here he at once took charge of the Poinsett Male and

Female Academy, which educational institution he conducted during war times, the last session of this school being held in 1865-66. He then joined the conference, and was immediately placed in charge of the Harrisburg Circuit, preaching from that time until 1873, in various districts and circuits of Eastern Arkansas. About that time he retired, and soon after died from a cancer, which troubled him for many years. W. J. Cobb was attending school at Trenton, Tenn., at the breaking out of the war, but came with his parents to Arkansas, in 1862. In 1863, at the age of sixteen years, he enlisted in the Confederate army, and was assigned duty in Eastern Arkansas, participating in his first engagement near Augusta, on White River. He was with Gen. Price on his Missouri raid, and was in every engagement of that campaign. After that he returned with his regiment to Arkansas, and on May 25, 1865, surrendered at Wittsburg. He then at once began farming in Cross County, on his father's place, and here he remained until 1878, after which he went to Northwest Arkansas, and was engaged as a clerk for A. A. Brodie, a merchant at Huntsville, Madison County. Here he remained for four years, when he returned to Cross County, and again followed agricultural pursuits on the old homestead. He remained there until 1887, when he moved to Vanndale, bought a lot, erected a dwelling, and has since made his home there, following the carpenter's trade. In February, 1889, he engaged with Killough & Erwin as clerk in the store at Vanndale. He was married, in 1874, to Miss Alice E. Burnett (b.Feb.25,1858 d.Apr.23,1936) Buried Fairview Cem., Hubbard, Texas, a native of Tennessee, but who was principally reared in Arkansas, and who is a daughter of John O. Burnett and Mrs.Virginia Legg Burnett, b.Sep.18,1837 d.Jan.14,1906-Fairview Cem., Hubbard, Texas. Mr. Burnett was a soldier in the Confederate army, was wounded in the battle of Prairie Grove, and died from the effects. His family are members of the Methodist Episcopal Church, South. --*CC Archive

Copeland, William H. b.1865 d.1945-Cogbill Cem.-Tstone

Copeland, William H.-Goodspeed's Bio.- William H. Copland, a prominent and energetic farmer of Searcy Township, was born in Tennessee in 1827, and was the younger of two children, the result of the union of Thomas and Elizabeth (Huey) Copland, respectively of North Carolina and South Carolina origin. The father was a farmer by occupation principally, but for a long time found employment in overseeing and railroad contracting. In 1840 he was under contract to build three miles on the Georgia Railroad, and after that he followed agricultural pursuits in the last named State, but before he had gathered the crops, sold out and in 1843 came to Arkansas. He remained in this State but a few months when he went to Memphis and there resided for one year. From there he went to Georgia, thence to Mississippi, but not finding a location to suit him he returned to Tennessee, where he bought land and remained until 1840. He then went to Memphis, and later spent a number of months in various parts of Arkansas, settling eventually in Poinsett County, where he died in 1872 at the age of seventy-three years. William H. Copland remained with his father until 1846, when he came to Arkansas and located in what is now Cross County, where he farmed for a number of years on rented land. In May, 1859, he married Mrs. Hester Stanley (nee Hamilton), a daughter of Theopolis and

Mary Hamilton, natives of Georgia and South Carolina, respectively. Mrs. Hamilton was born in a fort which the men protected from the Indians. Mr. and Mrs. Hamilton came to Cross County, Ark., in 1836, and settled on what is now known as the Bay Road. They were obliged to go a long way to mill and endured many hardships. Mr. Hamilton bought 160 acres of land in 1837, cleared about forty acres, erected buildings and made quite a pleasant home. He did much to improve the county, and took a great interest in politics, and in fact all that pertained to the good of the country. He died in 1849. His daughter Hester, the wife of the subject of this sketch, was married first to Mr. George Shaver, also a descendant of one of the pioneer families. He died in 1846 leaving his wife with three children: Obediah, Charles and Mary, all deceased and the sons dying in the army. In 1852 Mrs. Shaver married Mr. S. Stanley, who died in 1859 leaving her with two children, Nancy and Leander, both of whom died in childhood, and the father and children dying within two weeks of each other. At the time of his marriage Mr. Copland had about 100 acres under cultivation, and now has another 100 acres also under cultivation. He has made many improvements, and in 1863 planted an orchard which is still the best in the county. His fine residence was erected in 1855. In 1870 Mr. Copland erected a horse-gin, which he ran for ten years, when it was replaced by a steam-gin. This he sold in 1886. He is the owner of 440 acres of land, 200 of which are under cultivation. In 1863 he enlisted in the Confederate army, was in all the battles of Gen. Price's raid through Missouri and never received a wound. In November, 1864, he returned home, surrendering at Wittsburg in the spring of 1865. Mrs. Copland is a member of the Baptist Church, and Mr. Copland is a member of the K. of H. In 1876 he fell from a horse and hurt his leg, rendering amputation necessary, the following year. To the marriage of Mr. and Mrs. Copland has been born one child, a son, Willie, whose birth occurred in 1861. He is living at home, and has control and management of the farm. Mr. and Mrs. Copland are among the intelligent and much respected citizens of Cross County and are universally respected. Believe name is Copeland*CC Archive-)*CC Bank Vet.Memorial Bio-William H. Courtney, Carolyn Marie m.Smith, Mrs.-b.17-Apr-22 Callallen, Tex.-d.13 Jul 2008 (V)-age 86-72703 Fayetteville, Ark.*SSDI-Cogbill Cem.-Tstone w/William M./Obit-Carolyn Marie Courtney, 86, of Fayetteville died Sunday, July 13, 2008, at Windcrest Health and Rehabilitation in Springdale, Arkansas. She was born April 17, 1922, during a hurricane, in Calallen, Texas, to Jeanne Brooks Smith and Otto Alvin Smith. Her daughter, Lynda Courtney of Austin, Texas; her son, Michael Courtney and daughter-in-law, Miriam Hudson-Courtney of Fayetteville; five grandchildren; and three great-grandchildren survive her. As a child, Marie and her mother worked as migrant farm laborers in Texas, Arkansas and Wyoming. Later, she entered nursing school in Corpus Christi, Texas, and earned her R.N. degree. In 1944, she married James Eisley, a Navy aviator. The next year, Mr. Eisley's plane went missing during a patrol in the Bermuda Triangle. Shortly thereafter, Marie received a draft notice, which she respectfully declined, and, instead, moved to Fayetteville to work at City Hospital as a nurse for the next four years. In 1948, she married William Courtney and moved to Wynne, where they published The Wynne Progress, a small-town weekly newspaper. While her husband wrote and edited the newspaper, Marie worked as a printer and raised their two children. In 1970, Marie returned to nursing and served as a cardiac critical care nurse and an emergency medical technician. She did this until 1987, when she retired, partly because of her husband's death. After taking stock of her life for a year and learning how to drive a car (sort of), she accepted Michael and Miriam's invitation to move to Fayetteville and take up another role, that of grandmother. Marie was active in the First United Presbyterian Church of Fayetteville, serving as an office volunteer for the next 18 years until late 2005, when she survived (by sheer resolve) a brain aneurysm that triggered her final retirement at age 83.
