Chatham, Willis C. (Chester)

Willis C. (Chester) Chatham, passed away on October 29, 2003. He was born in Nevada, Missouri on June 23, 1908 to William Franklin and Chester Virginia Chatham and came to Arizona at the age of four where he lived the remainder of his life. He is survived by Jessie Lee (Seaton), his loving wife of almost 70 years, son, Willis Lee Chatham, DVM, daughter, Margaret Ann Steele (George), 7

grand-children, and 19 great grandchildren. He was the sole surviving Charter Member of the Scottsdale United Methodist Church. He came to the Valley of Sun prior to Arizona becoming a state, was in the first graduating class of Scottsdale High School and attended Tempe Normal, which later became Arizona State University, where he played baseball for the Bulldogs. Chester worked a variety of jobs during the depression and married his sweetheart Jessie in March of 1934. In 1941, they realized their dream of farming and began to dairy in what is now south Scottsdale. In 1962, they sold the dairy and moved to Buckeye where they farmed and fed cattle for 10 years. Chester was a former Director of the United Dairymen of Arizona and Board member of Arizona Farm Bureau. In 1972, Chester and Jessie retired and returned to Scottsdale where he obtained his real estate license working for several different agencies. In their retirement years, Chester and Jessie enjoyed traveling in their RV and were able to follow their favorite sports teams including the Sun Devils, the Suns and more recently the Diamondbacks. However, the most important thing in Chester's life was his family. He often said that he was blessed (and lucky) that Jessie agreed to be his wife, friend and soul-mate of almost 70 years. Until his death, their marriage was one of respect, devotion, laughter and most importantly love. Of all of the roles he played throughout his life, the one he enjoyed the most was being Gramps to his 7 grandkids and 19 great-grandchildren. He imparted to them the values and principles that guided his wonderful life and this has made them better people. Sowards, Florence Elizabeth

Florence Elizabeth Sowards (Myers): January 31, 1940 - October 27, 2003. Everyone who knew Florence will miss her. She was an amazing wife, mother, sister, daughter, friend... On October 27, at 6:30am, Florence left us. In her own words regarding her last few months, "It's starting to realize how much you love your family and that you have to leave them". She was truly selfless and giving all the time. Florence was born in Kent, Washington into the Myers family. She is survived by her loving and caring husband Lewis, sister Sally, daughter's Stacie & Heidi, son Ryan and their families respectively. Since June 20, 1959, Flo & Lew built a strong family upon their marriage. The couple had many vacations and fun times together. More often than not they were the life of the party... enjoying each other with a passion for life together. People gravitated to Florence and she made everyone have fun! Over the years Florence carefully raised a wonderful family which she cherished... One of her many talents was her ability start a conversation with anyone. She could learn more about another person than most in just a few minutes. Florence would always selflessly ask how "they" were doing. She loved people! She greatly enjoyed movies, dinners with her family and exploring new destinations around the country with her husband. Florence also had a love for reading. She could finish a novel in a day... Later in life Flo and Lew moved to the sunny skies of Arizona (quite a contrast to the cloudy skies of Washington). In their new neighborhood, Florence quickly became a friend to many. She began golfing and exercising regularly. People loved to be around this wonderful woman. There are no words that will explain the bond she had with the people who knew her... Those who were lucky enough to spend time with Florence will greatly miss one of those precious wonders in this life... We love you with all our hearts... In Lieu of Flowers: Pancreatic Cancer Early Detection donations payable: "Johns Hopkins University." Indicate on the memo line of the check the name of the individual. Mail to: Ralph H. Izzo, John Dominick

John Dominick Izzo John Dominick Izzo, 75, left this life on November 4th, 2003. He fought against colon cancer for more than two years with grace, dignity and courage. Those privileged enough to know him will remember his wide smile and generous spirit of friendship. His positive approach to life was the hallmark of his gentlemanly character. He will be greatly missed but never forgotten. He was one of nine children born and raised on the family farm in upstate New York. He was a member of the last graduating class of North High School and worked as a waiter at the Hotel Syracuse. Always the family entrepreneur, he collected Model A Fords and later invested in a mink farm. He was a maverick, doing what was least expected by others and always carrying off those endeavors with great ease. He was drafted into the Army and stationed in Germany for two years. He received a business management degree in 1956 from New York City College. He was a restaurantaire opening "Our Place" followed by the "Ledge Inn". His creative mind led to inventions like a specialty food called "The Pone Puppy". He earned his real estate brokers license in 1972, spending the rest of his career investing in homes and business properties. John was a gourmet cook and was always in charge of planning holiday meals and cooking his specialties for everyone. Even after retiring and moving to Arizona in 1987, he couldn't stay still. Although he had to stay close to home because of debilitating MS, he took the opportunity to study Herbs and Essential Oils. He created natural lotions and creams he labeled "J'sSoothing Allover Cream". They were used by oncology patients, friends and family. For him the process of giving was without limits. The family will remember John best for his creative nature. We believe engineering was his true calling and affectionately called him "MacGyver". He creatively solved a menagerie of household problems, fixed what we broke and created inventions to ease our lives. A clutter bug, he saved every gadget humanly created over the past 50 years. But, we learned that "The Warehouse" (his workshop), housed everything we ever needed. What will we do without access to your inventive mind? The family thanks the people who played a role in his life this past 2 1/2 years, not the least of which were his doctors, nurses and staff from Virginia G. Piper Cancer Center and the wonderful, caring angels from Hospice of the Valley. He was truly blessed by the love and devotion his wonderful friends showed him during his illness. John and his family are eternally grateful to each of you who brought such joy to his life. Thank you our beautiful papa, dad, husband, and friend for the gifts, blessings and love you showered on us so generously throughout your life. We shall miss your laughter, fun loving spirit and great wisdom ("just a thought") all the days of our lives. You are finally in Paradise. You ran the race so well. Even when it became hard, you showed us the importance that grace and dignity serve in this life. John is survived by his loving and devoted wife Mary and five children and their spouses: Deborah (Claude Sutton) of Glendale, Donna (Jaime Berggren) of Atlanta GA, John Jr. (Ellie Izzo) of Paradise Valley, Tammy (Kevin Newell) of

Scottsdale, and Richard (Kathy Zaccaria) of Syracuse, N.Y. He leaves 18 grandchildren: Claude, Vincent, Jonathan, Daniel, Ian, Marissa, Elyse and Eleena Sutton; Tim, Estee and Sara Wagoner; Amanda, Norma and Alexandra Izzo; Zackary and Emily Newell; and Kaitlyn and Morgan Zaccaria; a special sister-in-law Sandy Pascarella and niece Michelle Pascarella, brothers Lewis, Michael and Daniel of Scottsdale, sisters, Josephine Antelmi, Mary Ventre and Yolanda Savastano of Syracuse. Somewhere he is telling us to celebrate his life and not his passing. He will remain in our hearts forever. Funeral Service November 7, 2003 . at Messinger Pinnacle Peak Chapel, 8555 E. Pinnacle Peak Rd., Scottsdale, AZ with Viewing from 9-10:30 A.M. Burial will be November 10, 2003 at National Memorial Cemetery of Arizona, 23029 N. Cave Creek Rd., Phoenix, AZ.
