Wilson, Mack

Mack Wilson, born, May 6, 1918, Grand Saline, Texas, died, September 14, 2003, Encinitas, California. Mack was born in Grand Saline, Texas to parents James Ruel and Ora Agnes Wilson. At age seven parents and their ten children moved to Arizona. At Glendale High School Mack graduated as Homecoming 'Cardinal' King and as a basketball, track and football star. He married Betty Shepherd on September 13th, 1941 in Phoenix and served in the Army Air Corps as a flight instructor. Mack and Betty set up their homebase in Phoenix and he began designing and building custom residential homes and offices with his brother - in - law, Lawrence VanSant. During these years Mack and Betty had four sons, James, David, Michael and John. Mack began guiding Boy Scouts as a Scoutmaster in 1945, and continued his work in scouting for over twenty years. He served as President of the downtown chapter of the Lions Club and inaugurated their program for the Blind. Mack sang many years with the Chancel Choir at Crossroads Methodist Church, a church his sister Agnes helped found, where he also taught Sunday School. Mack and Betty moved to southern California in 1970 where he continued designing and building custom homes. During these years Mack served on the Board of the Christian Science Church in Rancho Sante Fe, and taught Sunday

School to youngsters. A fan of raquetball and tennis, Mack served on the Board of San Dieguito Tennis Club. He played tennis three times a week until just over a month before his death. Mack relied upon the Truth that Divine Mind and Divine Life are forever "in all, through all, and above all." Mack had no abiding belief in sin, sickness, disharmony or death, as he was too engaged in living life so heartily. In one of his last letters to one of his sons, he gave the injunction to, "Love, love, love" one another. Mack taught us all how to enjoy the humor in life, serve unselfishly, and care for one another sincerely. He wrote letters to great-grandchildren, danced at his grandchildren's weddings this year, and called each to check on our welfare up until the last day. No one can calculate the amount of goodness that will continue to accrue from this 'one, solitary life.' Celebrating Mack's life this weekend are his wife Betty, his five remaining siblings, Marjorie, Bill, Dorothy, Jerry and Norman Wilson; his four sons and their wives, Jim and Pam, David, Mike and Chris, and John and Teresa; his ten grandchildren, two great-great children, and his many friends from the community. They flew in a Cessna 172 airplane, the type Julius first learned to fly and with which he made his first solo flight. He is survived by his father, Gyula Csaki, who resides in Hungary. He is also survived in the USA by his wife, Mary Csaki; his son, Roger Csaki and Roger's wife, Tuende Csaki; his granddaughters Eva and Amy Csaki; his brother Attila Csaki and Attila's wife, Elizabeth Csaki; his niece, Barbara Csaki-Bako and Barbara's husband, Alex Bako. Julius and Mary came to the USA from Hungary in 1965 as a young couple, settling in Hastings, Nebraska where their son Roger was born in 1966. Julius and Mary and four month-old Roger then moved to Colorado Springs, Colorado. In 1979, after 13 years of employment with Hewlett-Packard, first as an Electronic Technician then as an Assistant Engineer, Julius took a managerial position in Tempe, Arizona with ADR Ultrasound. Five years later Julius returned to Hewlett Packard as a Field Sales Engineer. Julius retired from Hewlett Packard in 1995 with nearly 30 years of service. Julius was a man of many talents. Flying his Cessna 172 and 182 planes kept him soaring like an eagle in the blue skies of Colorado and Arizona. Playing the piano and electric organ was another passion. He loved photography and restoring automobiles. When he purchased and restored a 600 Mercedes-Benz sedan in the spur of the moment in the early 70s, it was love

at first sight. He considered playing ULTI (a Hungarian card game), and playing pool with his old time Hungarian friends among his favorite social activities. Julius was a wonderful story teller and a good-natured joker. He loved to read - history and science most particularly. His mind was like an encyclopedia, filled with knowledge - some trivial, some important - but always interesting. Julius was liked by every one he met and we will all remember him as a wonderful human being. He became a born again Christian in his early 50s. We, the family, take a great deal of comfort in that. He is with his Creator now, whom he loved very much, and he believed in HIM to the end. A memorial service will be held for Julius Csaki: September 28, Sunday 3 p.m. at Bethany Community Church, 6240 S. Price Road, Tempe, Az. 85283. Tel: 480 831-5005. Please join the family in celebrating his life here on earth and beyond. The Arizona Republic on 9/21/2003.

Sadowski, Michael A.

Michael A. Sadowski, age 79 of Phoenix, AZ, left this world peacefully on Saturday, September 20, 2003 surrounded by his loving family. Left behind to cherish his memory are Nell, his devoted wife of fifty-seven years, his children Charles Razor, Raymond Sadowski, Diana Wolfe, and Yvonne Burns, eleven grandchildren, six great-grand children, two daughters-in-law, three brothers, two sisters, many nieces, nephews, and dear friends. A resident of the Valley for the past forty years, Mike was one of ten children born in Somerville, New Jersey, to Benjamin and Marianne Sadowski, Polish immigrants, who risked everything in the shared dream of many that America would provide a better life. Mike was raised in Somerville and attended Somerville High School. After

graduating in 1943, he enlisted in the US Navy and proudly served his country contributing to victory in Europe by transporting men and materials across the North Atlantic to Great Britain. He was on board a Liberty ship in the English Channel on D-Day. In 1946, while still in the Navy, he met and married Nell Liston of Columbus, Ohio. After being honorably discharged in June 1946, Mike returned home and became a pipefitter for the Johns-Manville Co. in Manville, New Jersey. However, he longed to fulfill his dream to live in Arizona. A dream that began while aboard a troop train on its way through Tucson in August 1945. He spoke of his wonder at seeing the desert's beauty. In 1963 he was able to make his dream a reality when he arrived in Phoenix in June. He left much behind, in the hope that he, like his own parents, would be providing his family with a better life. Mike went to work at Garrett Air Research, and then at Goodyear Aerospace in Goodyear, Arizona. He took early retirement from Goodyear in 1986. Mike was an active member of the VFW Post 9400 in Sunnyslope, Arizona, and proudly served as Post Commander from 1966 to 1967. He loved to fish, plant his garden, and travel "seeing the country I love". He made frequent trips around the US visiting his children and grandchildren, and was able to fulfill another lifelong dream in 1997 by going back to Liverpool, England, where his ship berthed frequently in WW II, and to Poland, homeland of his parents. Mike was a very kind, generous, and loving man who always provided a helping hand, sharing himself in so many ways. He is sadly missed, and fondly remembered by all those who knew and loved him. Rest in peace Mike, farewell, and God speed. A celebration of Mike's life will begin with a visitation on Tuesday, September 23rd between 6:00 and 8:00 PM at Lundberg Mortuary, White Rose Chapel, 5310 W. Northern Ave., Glendale, AZ. Leone, Charles Paul

Charles Paul Leone, 54, of Phoenix, passed away on September 21, 2003. He was born on September 3, 1949 in Dunkirk, New York. Chuck served for four years in the US Air Force during the Vietnam War era, rising to the rank of Staff Sergeant. He moved to Arizona in 1973. Chuck was formerly employed by Chambers

Belt Company & then Bradford Alan Corporation. At the time of his passing, he worked for The City of Phoenix Police Department, a job that he loved and for which he was perfectly suited. His parents, Sam and Connie Leone, precede him in death. Left to cherish his memory are his loved and beloved sister, Susan Gregory, her husband Edward Gregory of Glendale, His nephews Bradley Sam & Jeffrey Sam, Jeff's wife Karen, a Great Niece, two Great Nephews, many Aunts, Uncles & Cousins, many old friends, many new friends, his closest friend and companion Jim Erickson and his dog, Alfie (Alf), named for the American Liver Foundation. Life is all about love, compassion, learning, living and many other wonderful things. It is very easy when you think about it. Then, something happens like losing a special person such as Chuck - who made it all look so easy. It becomes a much more difficult challenge. We wonder why this happened to someone so young, someone with such a strong will to live, someone that none of his loved ones were really willing to give up so soon. We wonder how we will cope with the loss. The loss of Chuck is difficult to comprehend, but knowing how he lived his life eases some of the pain that the people who loved him are feeling. Fourteen years ago, Chuck was given the gift of life because a young woman died before her time in an auto accident. She was an organ donor. Chuck received her liver. He was very close to death when she lost her life and the gift he received, because of the selfless generosity of this woman and her family, saved his life. In honor of this woman, and in honor of life, Chuck always lived life to its fullest. He never wasted time; he always did the very best he could do at everything he did. You could always count on Chuck if you needed him. He has been an Inspiration to all of us whose lives he touched. If we learned one thing from our precious time with him, let it be to cherish life the way he did, for as long as we can. That is what Chuck would want, that is part of what his purpose here was. That is what we should all strive for in honor of Chuck and in honor of life. Memorial Services will be held on Saturday September 27th at 11:00am at Shiloh Community Church at 19021 North 32nd Street, Phoenix, AZ, 85050. Stark, J. Robert

J. ROBERT STARK- -

In the early morning hours of Friday, September 19, 2003, our beloved father, our constant inspiration and our never wavering source of strength was granted the peace he so desperately longed for. Bob Stark is finally home with his Father, our Lord Jesus Christ. He was our light in the darkness, our hope in despair, a devoted husband and a shining example of a father's love. He was truly blessed by the love and endless devotion his wonderful friends showed him during his illness. Bob and his family are eternally grateful to each of you who brought such joy to his life. Bob was born in Globe, Arizona on July 3, 1925. After graduating from North Phoenix High School, he served 3 years of active duty in World War II as a commissioned officer in the United States Navy. He was awarded a degree in economics from the University of California at Berkeley. He went on to complete his Law Degree at the University of Arizona. His years of devotion to the improvement of the quality of life for all of Arizona began with his appointment as deputy County Attorney to Warren McCarthy. In addition to the practice of law, he served as Secretary and Treasurer of Newberry Energy Corporation and co-owner of Standard Surgical Supply. In his efforts to provide direction to our rapidly growing community, he served 8 years on the Maricopa County Board of Supervisors. Bob worked tirelessly with love and conviction for those in need, never expecting anything in return. He served the community as a member of the Phoenix Rotary Club and the 20-30 Club. As an avid ASU fan, he served for many years on the Sun Angel Foundation.
