All roads lead to Walsh's Big Busy Grocery on sales day. However, we especially solicit and invite business through our Broadway entrance (Front Door). For safe and sanitary reasons, our treatment of the public in buying and selling for farmers, and safety has never been questioned.

Yours truly,

JOHN WALSH.

All roads lead to Walsh's Big Busy Grocery on sales day. However, we especially solicit and invite business through our Broadway entrance (Front Door). For safe and sanitary reasons, our treatment of the public in buying and selling for farmers, and safety has never been questioned.

Yours truly,

JOHN WALSH.
