

World History III - Early Modern Era

Part One covers the reformation in Germany, the Netherlands, France, and England, the settlement of colonies in America, the rise of England and the Netherlands as sea powers, and the corresponding fall of Spain.

Part Two continues the coverage on the age of empire and world colonization. The histories of European colonies in America, Australia, South Africa, and India are related as well as the Revolution in America, the French Revolution, and the campaigns of Napoleon.
