

Complete Weld County Genealogical Society *Quarterly* Subject Index

Compiled by Jacquelyn Glavinick **

This index has been compiled to assist readers in locating records and extractions which have been published in the Weld County Genealogical Society *Quarterly* from its inception.

If you find an article that is of interest to you, that/those quarterlies can be ordered from the Society. Each quarterly is \$5.00. There are four issues per year so a year of quarterlies would be \$20.00, postage paid.

Since 1981 a surname index has been a part of each issue; that feature as well as book reviews, genealogy tips, library news, announcements, and reports are not included in this index. Each article has been cross-referenced under several titles. For instance the St Peter's Catholic Church, Greeley, Baptisms 1903-1914 is listed under Catholic, Church, Greeley, St Peter's and Baptisms.

Because of an error in typing the volume and issue numbers on some of the first issues, there may be a problem in finding the article, depending on what Quarterly you might pick up and if the volume and issue numbers have been changed in it or not. You should be able to find the article easier if you use the date for the reference. The following was printed in Volume 4, Number 2: "...changes will have to be made in the following copies of the Quarterly, Feb 1977 Volume 2 No. 5. There was no May 1977 issue published. Aug 1977, Volume 2 No. 6, Nov 1977 Volume 2 No. 7, and Feb 1978, Volume 2 No. 8."

From what I can tell there are no Volume 3's and only No 2 in Volume 4. Thereafter they are in consecutive order.

** My thanks to Marilyn REED for helping to initially proofread this index.
