Dear FHS Students, Teachers, and Staff,

Our long-awaited and anticipated reunion is getting closer! We hope you've already marked your calendar with the date. On the reverse of this letter is your invitation. We look forward to receiving your reservation in the mail. Don't be surprised if some former teachers show up this year to celebrate with us as well.

We've all been to the grocery store lately and know that food costs have risen considerably. As expected, the cost of our dinner has increased also. We are trying to limit the increase to encourage everyone to come to the reunion. The dinner fee is \$32, but we are capping it at \$30. It includes dinner, tax, and tip, as always. The extra \$2 will come from our reunion fund that has been set aside for times like this. In addition, for those who anticipate the "munchies" during our 2 – 4 p.m. registration and social time, we have ordered a couple trays of appetizers. Those will be paid for from our reunion fund also. It's one way of "patting ourselves on the back," actually our collective backs, for making it through these last few challenging years.

It's been a long 3 years since our last reunion, and we think everyone is more than ready to get together to share memories and create some new ones. We hope that COVID is through with us. Just in case it is not, we will observe any protocols necessary at the time of the reunion.

Everything you need to know is on the other side of this letter. If you have any questions, our contact info is there also. See you in June!

Linda and Marilyn
