NOLAN ALTMAN

Nolan Altman is an IAJGS board member and JewishGen's VP for Data Acquisition. He coordinates JewishGen's JOWBR (JewishGen's Online Worldwide Burial Registry) Database, Memorial Plaques Database, and Holocaust Database. He has presented his "A Tale of Two Families: How to Document and Research Your Family History" seminar at the university level and to numerous adult education classes. He has also been a presenter at eight IAJGS conferences and published articles in several major genealogical journals. Mr. Altman is the immediate past president of the JGS of Long Island and a member of JGSNY.

BONUS MATERIAL

**Program and Schedule of ALL Presentations offered at the
36th IAJGS International Conference on Jewish Genealogy**

http://s4.goeshow.com/iajgs/annual/2016/program_schedule.cfm

This is a listing of approximately 300 lectures, workshops and forums that were presented at the 36th annual IAJGS Conference on Jewish Genealogy in Seattle, Washington from August 5-12, 2016. All items in blue are live links to descriptions of each item and a short bio of each speaker. Click on a session link to learn more about that session. Click on a speaker link to learn more about that speaker. If the rightmost column indicates "Audio", that session was audio recorded.

If the rightmost column indicates "Slides", the author's slides are available.

We have digital copies of all those audios and slides in the JGSTB Library.

These digital copies are available to JGSTB members. You will need to bring a USB thumb drive and make arrangements with the JGSTB Librarian to make your own copies of any of these digital files.

If a session title begins with the term "LIVE!", that session was professionally videotaped in high quality, and those videos are only available to those who purchased a LIVE admission to the IAJGS Conference. Today's JOWBR program is a LIVE! Presentation, courtesy of Nolan Altman.

BONUS MATERIAL

**Jewish Genealogy Society of Long Island
