

The Alexander Funeral Home Index

The following is an index of names taken from the records of the Alexander Funeral Home located in Clearwater, Florida. The Mortuary was in operation from 1917 to 1947, and the information presented on the patrons of the Mortuary during that time can be of both historical and genealogical interest.

The Pinellas Genealogy Society sells a book containing a transcription of the records. Although not all of the records are uniformly complete, information can be found on the date and cause of death; the place of birth, death, funeral, and interment; the name of spouse; the occupation; and the name and birth places of the parents.

Refer to the publications page of the Society website (www.rootsweb.com/~flpgs/pgs-forsale.htm#FH-02) for more complete information on the book and prices.
