June 2016 Newsletter

Dear First Georgia Company Members,

I am very honored to have been elected and installed as the new Governor of First Georgia Company Jamestowne Society for the 2015-2016 term. We have a wonderful Executive Board who will work together to make this next two years informative with events and activities. We welcome any ideas to improve our meetings for learning and good fellowship.

We currently have 141 First Georgia Company members and have extended invitations to recent new members of the Jamestowne Society. Be sure to welcome our new members who will be introduced at the next meeting if they attend. I encourage each of you to look to your friends who are not already members to think about joining our great society. Our new members since our last Newsletter are: Ann W. Cobb, Chamblee; Fay Elaine Holliday, Atlanta; Marian Hosch, Gainesville; Bettye Jo Tucker Wilson, Cohutta.

Included with this Newsletter is your invitation to our next meeting, June 11, 2016, 11:00 at An-sley Golf Club. Our speaker is Susan B. Sloan who will bring a program on "God's Providence and the Jamestowne Colony." I am sure you will enjoy this program.

Looking forward to seeing you in June and bring your guests!

Betty
