

Firth, Mitchell (from TFS 2012 Indian Sandalwood Project notes)

PLANTATION MANAGER - VOYAGER PLANTATION
MITCHELL FIRTH - B SC (FORESTRY), IFA MEMBER

Mitch obtained a Bachelor of Forest Science from the Australian National University in 2005. He joined TFS in early 2007, and has developed sound knowledge and experience in Indian Sandalwood plantation silviculture. Mitch is responsible for all aspects of management for the ~1,000 ha Voyager plantation estate, which includes a range of plantation ages and irrigation systems.
