

North Carolina Marriages, 1842-1900 (ancestry.com)

The records in this database are an index to marriage records available from North Carolina between 1842 and 1900. Most North Carolina marriages were not recorded before 1868. After 1868, the register of deeds in each county was given the task of issuing marriage licenses. Many of these records are from marriage bonds.

**Catawba County:**

Catawba County was formed in 1842 from Lincoln County. The records in this database cover the years 1842 through 1900. The records for 1850 through 1900 include only surnames beginning with letters A through K. Original data: *Catawba County, North Carolina Marriages, 1842-1900*. County court records located in Newton, North Carolina or Family History Library microfilm #0593304

**Rowan County:**

Rowan County was created in 1753 from Anson County. The records from the county in this database cover the years 1851 through 1900.

Original data: *Rowan County, North Carolina Marriages, 1851-1900*. County court records located in Salisbury, North Carolina or Family History Library microfilm #1760522 and 1760526.
