**August, 2014**

The August 12th regular meeting was attended by six members. **It was good to see and hear from the members concerning our activities.**

Our book, Steeleville and Its Early Years written and compiled by Imogene Fiene, is not available yet. Please continue sending your orders to have one reserved. Books mailed out of state are \$25 plus \$5 s/h. In state, add \$1.81 for tax. We will fill the preorders as soon as the books come in.

Our annual Christmas Dinner in December was discussed. It was moved and approved to meet at Reid's Harvest House at 6 p.m. December 9<sup>th</sup> for accommodations this year. Pay on your own, but we'll need an RSVP by December 2<sup>nd</sup> to make arrangements.

Our thanks to June, Midge, Lottie & Joyce for being in the office Monday, Tuesday and Wednesday.

REMINDER: We think we have the cemetery list about completed but still need some GPS readings. But the Heyls want to hear from you if you know of a cemetery or burial location that seems to have been forgotten. Thanks to all those that have responded.

The next meeting is September 16, 2014, 2 p.m. at the RCGS Library in Steeleville. The meeting in October will be October 21. Yes, this is a change to the 3<sup>rd</sup> Tuesday because the officers and members that attend on a regular basis have conflicts and there would be no quorum. This was moved and approved.
